Sponsor(s): House Committee on Agriculture & Ecology (originally sponsored by Representatives Chandler, Linville and Regala; by request of Department of Ecology)

Brief Title: Revising provisions for solid waste permits.

**HB 1419-S.E - DIGEST**

(DIGEST AS ENACTED)

Declares that every permit for a solid waste handling facility may be issued for a period of one to five years, as determined by the local jurisdictional health department.

Provides that, if a permit is to be issued for longer than one year, the local jurisdictional health department may hold a public hearing before making such a decision.

Requires an existing solid waste handling facility to be reviewed and issued a permit before making any changes meeting the criteria under RCW 70.95.030(13).

Requires a study of the solid waste regulatory system for recommendations by December 15, 1997.
