Brief Title: Requiring the department of fish and wildlife to report to the legislature regarding salmon harvests.

HB 1485 - DIGEST

(SUBSTITUTED FOR - SEE 1ST SUB)

Requires, at a minimum, the report shall clearly identify:
(1) The total tribal and nontribal harvests by species and by management unit;

(2) where and why the nontribal harvest does not meet the full allocation allowed under United States v. Washington, 384 F. Supp. 312 (1974) (Boldt I) including a summary of the key policies within the management plan that result in a less than full nontribal allocation; and

(3) the location and quantity of salmon and steelhead harvested under the wastage provisions of United States v. Washington, 384 F. Supp. 312 (1974).
