Brief Title: Requiring that information provided by governmental entities on household hazardous waste or consumer product substitutes be competent and reliable.

**HB 1602 - DIGEST**

(SUBSTITUTED FOR - SEE 1ST SUB)

Declares that no state, county, or local agency shall provide information on household hazardous waste or substitutes for any consumer products unless the information is competent and reliable.

Declares that no recommendation shall be rendered by any state, county, or local agency for the use of any substance for pesticidal purposes unless the substance is registered for use as a pesticide by the state and by the federal environmental protection agency and is to be used in a manner consistent with label directions.
