Brief Title: Providing economic opportunities for private enterprise.

HB 1721-S2 - DIGEST

(AS OF HOUSE 2ND READING 3/18/97)

Finds that the growth of private enterprise is essential to the health, welfare, and prosperity of the people of the state of Washington, and that government unfairly competes with the private sector when it engages in commercial activities.

Provides that, by December 1, 1997, the office of financial management shall develop a methodology for reflecting the fully allocated costs of conducting a commercial activity by a state agency or institution of higher education.
