Brief Title: Clarifying personal injury protection automobile
insurance coverage.

HB 1733-S - DIGEST

(AS OF HOUSE 2ND READING 3/12/97)

Declares that when an insured has personal injury protection coverage on more than one vehicle, and coverage applies to an accident not involving any of the insured's vehicles, only one vehicle's personal injury protection coverage applies. If there are different limits of coverage, the policy with the highest limit applies.
