Brief Title: Authorizing reclaimed water demonstration projects.

**HB 1817 - DIGEST**

(SUBSTITUTED FOR - SEE 2ND SUB)

Provides that the department of ecology shall establish and administer a reclaimed water demonstration program for the purposes of funding and monitoring the progress of five demonstration projects. The department shall work in cooperation with the department of health.

Makes an appropriation of ten million one hundred fifty thousand dollars for the biennium ending June 30, 1999, to the department of ecology.
