Brief Title: Requiring consideration of international ferry closures' impact on tourism.

HB 1989-S - DIGEST

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Provides that, in addition to the requirements of RCW 47.60.330(1), before a substantial curtailment in the level of service provided to ferry users between the state and British Columbia, Canada, the department of transportation shall consider the impact of the loss of tourism on the state and the local community.
