Brief Title: Directing school districts to purchase and provide school supplies to students.

**HB 2023 - DIGEST**

Requires each school district board of directors to adopt a written policy stating that all school supplies necessary for the completion of required and elective coursework are provided by the district free of charge to students.

Requires each school district board of directors to adopt a written policy stating that all noncredit extracurricular school events during regular school hours are provided free of charge to all students. Nothing in this section prohibits school districts from charging fees as may be necessary for noncredit extracurricular events or activities after regular school hours, including the cost of supplies for school sport activities and school sport events.
