Brief Title: Providing service credit under the teachers' retirement system plan I for military service.

HB 2145 - DIGEST

Provides that after completing twenty-five years of creditable service, any member may have service in the armed forces that was performed prior to membership in the retirement system credited to him or her as a member. However, the total number of years of military service credit from all sources, as authorized by any statute, may not exceed five years.

Requires the member to contribute to the member reserve, either in a lump sum or installments, amounts determined by the director.

Provides that military service shall not be credited to any member who is receiving full military retirement benefits pursuant to Title 10 United States Code.
