Brief Title: Limiting the acquisition of publicly owned lands.

HB 2167 - DIGEST

Declares that, after December 31, 1997, state agencies shall not acquire wildlife and recreation lands in counties in which over fifty percent of the total land area in the county is publicly owned, as determined by the interagency committee for outdoor recreation. The committee shall determine, using existing and available data and in consultation with the Washington association of county officials, the percentage of land in each county that is publicly owned and shall publish these percentages by November 30, 1997.
