Brief Title: Requiring open public meetings of local school boards regarding impasses in collective bargaining.

HB 2179-S - DIGEST

(AS OF HOUSE 2ND READING 3/15/97)

Requires that, immediately upon declaring an impasse, the parties must prepare a written notice itemizing the issues that are in dispute. The employer must make the written notice available to the public at the school district administration offices. Within ten days of either party declaring an impasse, the local school board shall hold an open public meeting at which the issues in dispute must be distributed in writing and discussed.
