Brief Title: Extending the prohibition on filing for a tariff on mandatory measured telecommunications service.

HB 2553 - DIGEST

(DIGEST AS ENACTED)

Provides that the commission shall not accept for filing a price list, nor shall it accept for filing or approve, prior to June 1, 2001, a tariff filed by a telecommunications company which imposes mandatory local measured service on any customer or class of customers, except upon finding that it is in the public interest.
