Brief Title: Limiting certain civil actions against health care providers.

HB 2936 - DIGEST

(SUBSTITUTED FOR - SEE 1ST SUB)

Declares that RCW 4.16.190 does not apply to any civil action for damages for injury occurring as a result of health care that is provided after June 25, 1976.

Provides that any civil action for damages for injury occurring as a result of health care provided after June 25, 1976, and before the effective date of this act that has not accrued before the effective date of this act and that was previously tolled by RCW 4.16.190 accrues on the effective date of this act.

Revises RCW 4.16.350 to provide that in no event shall an action be commenced more than eight years after said act or omission.
