

2953-S

Sponsor(s): House Committee on Health Care (originally sponsored by Representatives Sherstad, Sterk, Koster, Carrell, McDonald and Carlson)

Brief Title: Allowing a physician or osteopathic physician licensed in Oregon to register with the medical quality assurance commission to work at nonprofit health clinics in this state.

**HB 2953-S - DIGEST**

(AS OF HOUSE 2ND READING 2/10/98)

Authorizes a person licensed to practice medicine and osteopathic medicine and surgery by the state of Oregon to register with the commission to render health care services without remuneration to economically disadvantaged patients through nonprofit health care clinics incorporated under the laws of this state.
