Brief Title: Providing tax incentives for the development of job opportunities in distressed counties.

**HB 2975 - DIGEST**

Directs the joint committee to review and study the public facility financing program under RCW 82.14.370 and make a report to the legislature in January 2002. The report must include the local revenues generated by the tax, the facilities constructed, and to the extent possible, the number of jobs in each county created or retained due to this public facility financing program.
