Brief Title: Authorizing real estate excise taxes imposed by certain districts to finance acquisition and maintenance of conservation areas.

HB 3082 - DIGEST

Authorizes a park and recreation district, park and recreation service area, or metropolitan park district to impose an additional excise tax on each sale of real property in the district or service area of not to exceed one percent of the selling price if voters in the district or service area approve a ballot proposition authorizing the tax. Proceeds from the tax shall be used exclusively for the acquisition and maintenance of conservation areas.
