Brief Title: Enhancing sentences and supervision of sex offenders.

**SB 5006-S - DIGEST**

(AS OF SENATE 2ND READING 3/17/97)

Declares an intent to enhance public safety and to reduce recidivism by sex offenders.

Revises the sentencing reform act of 1981 to require consideration of the future dangerousness of sex offenders before their release from prison.

Enhances the authority to impose, monitor, and enforce conditions on the release of a sex offender.
