Brief Title: Increasing penalties for methamphetamine crimes.

SB 5191 - DIGEST

(SUBSTITUTED FOR - SEE 1ST SUB)

Includes the manufacture, delivery, or possession with intent to manufacture or deliver methamphetamine or possession of ephedrine or pseudoephedrine with intent to manufacture methamphetamine in the category of most serious offenses.

Provides that, of the twenty-five thousand dollar fine for a methamphetamine crime, three thousand dollars of the fine may not be suspended.

Requires up to three thousand dollars of the fine to be deposited with the law enforcement agency having responsibility for cleanup of laboratories, sites, or substances used in the manufacture of the methamphetamine.
