Brief Title: Regulating the disclosure of confidential adoption records.

**SB 5216 - DIGEST**

Declares that, if the confidential intermediary obtains from the person being sought written consent for disclosure of only nonidentifying information to the petitioner, the court may then order that the nonidentifying information be released to the petitioner.

Requires any record of consent regarding the release of nonidentifying information only to be sealed as provided in RCW 26.33.330.
