Brief Title: Authorizing counties to designate an unclassified position for their 911 emergency communications systems.

SB 5364 - DIGEST

(DIGEST AS ENACTED)

Provides that, in counties with a sheriff's department that operates the 911 emergency communications system, in addition to the unclassified positions authorized in RCW 41.14.070, the sheriff may designate one unclassified position for the 911 emergency communications system.
