Brief Title: Facilitating the collection of sales tax on manufactured housing.

SB 5383 - DIGEST

(DIGEST AS ENACTED)

Finds that RCW 82.08.065 was adopted to facilitate the prompt collection of sales tax on mobile homes by the county auditors contemporaneous with issuance of title, but subsequent legislation rendered the statute ineffective for accomplishing the purpose; therefore, the legislature finds that the situation will be resolved by returning to the tax collection system in place before the enactment of RCW 82.08.065.

Repeals RCW 82.08.065.
