Brief Title: Strengthening the Clean Indoor Air Act.

SB 5411 - DIGEST

Declares that no person may smoke in a public place or worksite except for the following: (1) Private residences, except for homes licensed as family day care homes, during the hours of operation;

(2) privately owned or leased passenger vehicles or vehicles used for business purposes if no nonsmoking employees are present;

(3) up to twenty-five percent of the guest rooms of hotels, motels, and similar transient lodging;

(4) in conjunction with a religious ceremony in which smoking is an integral part of the ceremony;

(5) by performers or production staff at theatrical production sites, if smoking is an integral part of the story;

(6) medical research or treatment sites, if smoking is integral to the research or treatment being conducted;

(7) smoking rooms designated by employers for smoking, under conditions specified in RCW 70.160.040;

(8) the premises of sole proprietorships or partnerships where no employees are present and that are ventilated directly outdoors; and

(9) private clubs and fraternal organizations where no employees are present.

Repeals RCW 70.160.050, 70.160.060, 70.160.080, and 70.160.100.
