Brief Title: Changing provisions relating to the certificate of mastery.

SB 5587 - DIGEST

Requires that individual results from the eleventh grade assessment required under RCW 28A.230.240 shall be printed on the back of each student's high school diploma indicating the student's level of achievement.

Provides that, for the student's last year of high school, the student's attendance shall be indicated on the high school diploma as a fraction of total teaching days.
