Brief Title: Changing financial responsibility requirements for operators of solid waste landfills.

**SB 5607 - DIGEST**

Requires the permit applicant or holder for each land fill facility whose area of design capacity will exceed one hundred acres and whose horizontal height of design capacity will average one hundred feet or more above existing site elevations shall, in addition to the requirements of RCW 70.95.215, maintain a cash bond sufficient to fund the full cost of a temporary or permanent closure required due to an emergency or disaster.
