Brief Title: Requiring a driver improvement interview when a person is involved in a fatal accident and is issued a traffic infraction.

SB 5638 - DIGEST

Provides that whenever a driver has forfeited bail on an infraction that resulted in any fatality or has been found to have committed an infraction that resulted in any fatality, the department shall require such driver to participate in a driver improvement interview. If the driver fails to complete the driver improvement interview, the department shall suspend the driver's driving privilege until such time as the driver has completed the driver improvement interview.
