Brief Title: Allowing cities to assume jurisdiction over water or sewer districts.

SB 5650 - DIGEST

(DIGEST AS ENACTED)

Provides that the board of commissioners of a water-sewer district, with fewer than one hundred twenty customers on the effective date of this act, may by resolution declare that it is in the best interests of the district for a city, with a population greater than one hundred thousand on the effective date of this act, to assume jurisdiction of the district. None of the territory or assessed valuation of the district need be included within the corporate boundaries of the city. If the city legislative body agrees to assume jurisdiction of the district, the district and the city shall enter into a contract under RCW 35.13A.070, acceptable to both the district and the city, to carry out the assumption.

Expires December 31, 1998.
