

5727-S2

Sponsor(s): Senate Committee on Transportation (originally sponsored by Senators Wood, Haugen, Jacobsen, Hargrove, Finkbeiner, Deccio, Heavey, Goings, McAuliffe, Patterson, Prentice, Winsley, Kohl and Rasmussen)

Brief Title: Requiring backup alerts or crossview mirrors on delivery trucks.

SB 5727-S2 - DIGEST

(DIGEST AS ENACTED)

Requires every truck registered or based in Washington that is equipped with a cube-style, walk-in cargo box up to eighteen feet long used in the commercial delivery of goods and services to be equipped with a rear crossview mirror or backup device to alert the driver that a person or object is behind the truck.

Takes effect September 30, 1998.
