Brief Title: Changing lake management provisions.

**SB 5905 - DIGEST**

Provides that a superior court may authorize the use of assessment funds requested by the petition of the waterfront owners for:

- (1) The control or removal of aquatic plants and vegetation;
- (2) water quality;
- (3) the control of water levels;
- (4) storm water diversion and treatment;
- (5) agricultural waste control;
- (6) studying lake water quality problems and solutions;
- (7) cleaning and maintaining ditches and streams entering or leaving the lake;
- (8) water safety and petitioning local government for water safety regulation; and
- (9) the related administrative, engineering, legal, and operational costs of the organization or persons whom the court authorizes to act.
