

5939-S

Sponsor(s): Senate Committee on Transportation (originally sponsored by Senators Strannigan, Rossi, Finkbeiner, Bauer, Hochstatter, Benton, Wood, Snyder, Hargrove, Heavey and McDonald)

Brief Title: Directing a study of wing-in-ground effect vehicles.

SB 5939-S - DIGEST

(AS OF SENATE 2ND READING 2/17/98)

Requires the legislative transportation committee to commission a study, to be conducted by the appropriate engineering departments of any Washington state university and in conjunction with the state department of transportation, which shall produce a state-of-the-art review and assessment of the application of wing-in-ground effect vehicles to passenger transportation across Puget Sound.

Requires a report to the legislature by June 30, 1999.
