Brief Title: Providing for the transfer of accrued sick leave between state employees and employees of educational service districts.

SB 5993 - DIGEST

Declares that the rules of the personnel resources board shall provide for: (1) The transfer of accrued sick leave for employees who transfer employment to or from educational service districts under chapter 28A.310 RCW; and

(2) payments between employers to reflect the liability for the transferred sick leave. The authority to transfer accrued sick leave shall be retroactive to January 1, 1996.

Declares that accumulated leave for illness, injury, bereavement, and emergencies may be transferred to other agencies of the state under RCW 41.06.150(8).
