**SB 6216-S.E - DIGEST**

(AS OF SENATE 2ND READING 2/14/98)

Finds that more efficient and cost-effective means are  
available for the collection of vendor overpayments owed the state  
of Washington.

Finds it desirable to provide vendors a uniform formal appeal  
process that will streamline the current process for both the  
department of social and health services and the vendor.
