Brief Title: Allowing the department of social and health services to recover revenue from vendors that have been overpaid.

SB 6216 - DIGEST

(SUBSTITUTED FOR - SEE 1ST SUB)

Finds that more efficient and cost-effective means are available for the collection of vendor overpayments owed the state of Washington.

Finds it desirable to provide vendors a uniform formal appeal process that will streamline the current process for both the department of social and health services and the vendor.
