Brief Title: Revising provisions relating to imposition of benefit charges by fire protection districts.

SB 6285-S - DIGEST

(DIGEST AS ENACTED)

Provides that, for administrative purposes, the benefit charge imposed on any individual property may be compiled into a single charge, provided that the district, upon request of the property owner, provide an itemized list of charges for each measurable benefit included in the charge.

Provides for an alternate ballot procedure for approval of benefit charges.
