SB 6346-S - DIGEST

(DIGEST AS ENACTED)

Declares that, upon receipt of a resolution requesting exclusion from the boundaries of the authority from a city whose municipal boundaries cross the boundaries of an authority and thereby result in only a portion of the city being subject to local option taxes imposed by the authority under chapters 81.104 and 81.112 RCW in order to implement a high-capacity transit plan, and where the vote to approve the city's incorporation occurred simultaneously with an election approving the local option taxes, then upon a two-thirds majority vote of the governing board of the authority, the governing board shall redraw the boundaries of the authority to exclude that portion of the city that is located within the authority's boundaries, and the excluded area is no longer subject to local option taxes imposed by the authority. This section expires December 31, 1998.
