Brief Title: Allowing a health care provider to disclose a patient's blood alcohol level to law enforcement authorities.

**SB 6613 - DIGEST**

(SEE ALSO PROPOSED 1ST SUB)

Provides that a health care provider shall report to the appropriate law enforcement agency a patient's blood alcohol level obtained as part of the medical care of that patient when that patient is reasonably suspected by the health care provider to have been in control of a vehicle while under the influence of alcohol.
