Brief Title: Allowing a holder of perpetual timber rights to sign a statement of intent not to convert the land to other uses for a period of time.

**SB 6669-S - DIGEST**

(DIGEST AS ENACTED)

Provides that, where timber rights have been transferred by deed to a perpetual owner who is different from the forest landowner, the owner of perpetual timber rights may sign the forest practices application and the statement of intent not to convert for a set period of time. The forest practices application is not complete until the holder of perpetual timber rights has submitted evidence to the department that the signed forest practices application and the signed statement of intent have been served on the forest landowner.
