Brief Title: Verifying the income of subsidized enrollees of the state basic health plan.

**SB 6740-S - DIGEST**

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Provides that, when an enrollee fails to report income or income changes accurately, the administrator shall have the authority either to bill the enrollee for the amounts overpaid by the state or to impose civil penalties of up to two hundred percent of the amount of subsidy overpaid due to the enrollee incorrectly reporting income. The administrator shall adopt rules to define the appropriate application of these sanctions and the processes to implement the sanctions provided in this subsection, within available resources.
