3 On page 6, line 38, after orders.- insert The contractor shall  
4 provide a separate bond for each year of the job order contract. Each  
5 bond will cover those work orders issued while that bond is in effect.  
6 The initial bond shall be effective for a period of one-year commencing  
7 on the date the job order contract is awarded. The surety's aggregate  
8 liability under a bond shall not exceed the amount of that bond,  
9 regardless of the number of work orders issued.-

**EFFECT:** Requires that a separate bond be provided for each year of the job order contract, each bond cover work orders issued while it is in effect, the initial bond to be effective for a one-year period commencing on the date the job order contract is awarded, and the surety's aggregate liability shall not exceed the amount of that bond regardless of the number of work orders.
