

1 **SHB 1464** - H AMD

2 By Representative Constantine

3 On page 2, line 27, strike computer stores- and insert user of  
4 the computer has knowingly stored-

5 On page 2, line 31, after agency.- insert This subsection shall  
6 not be construed to require a person repairing, modifying, or  
7 maintaining a computer to review or search information stored on any  
8 part of a computer other than that which is needed to effectuate its  
9 repair, modification or maintenance."

**EFFECT:** Requires a person finding child pornography stored on a computer during the course of repairing the computer to report the incident to the police if he or she has reason to believe that the pornography was knowingly stored by the owner of the computer. Computer technicians are not required to search any parts of the computer beyond the parts they are maintaining at the time of the repair.
