3 On page 6, line 17 after utilities- insert and mutual light and
4 power companies-

5 On page 6, line 19, after customers,- strike the remainder of the
6 section and insert and have disclosure label information available in
7 their main business office. If a small utility or mutual company
8 engages in marketing a specific electric product new to that utility it
9 shall provide the disclosure label described in subsection (3)(c).-

EFFECT: Small utilities and mutual companies are required to distribute the disclosure label once per year, and have the information available at their business office. If that utility markets an electricity product that has not been marketed before by that utility, it must provide a reference to an electronic form of the disclosure label.
