29 On page 7, line 19, strike commission- and insert committee-

30 On page 7, line 23, strike commission- and insert committee-

EFFECT: In recent years, the legislature has attempted to reduce the number of boards and commissions. This would be a new commission. When this legislation originated, a commission was proposed but the legislature opted against a commission but sanctioned an advisory committee. Nothing has happened in the intervening time to necessitate a change.
