2 **2SSB 6199** - H COMM AMD  
3 By Committee on Health Care

4  
5 Strike everything after the enacting clause and insert the  
6 following:

7 "NEW SECTION. **Sec. 1.** PATIENT RIGHTS. It is the intent of the  
8 legislature that enrollees covered by health plans receive quality  
9 health care designed to maintain and improve their health. The purpose  
10 of this act is to ensure that health plan enrollees:

11 (1) Have improved access to information regarding their health  
12 plans;

13 (2) Have sufficient and timely access to appropriate health care  
14 services, and choice among health care providers;

15 (3) Are assured that health care decisions are made by appropriate  
16 medical personnel;

17 (4) Have access to a quick and impartial process for appealing plan  
18 decisions;

19 (5) Are protected from unnecessary invasions of health care  
20 privacy; and

21 (6) Are assured that personal health care information will be used  
22 only as necessary to obtain and pay for health care or to improve the  
23 quality of care.

24 NEW SECTION. **Sec. 2.** A new section is added to chapter 70.02 RCW  
25 to read as follows:

26 HEALTH INFORMATION PRIVACY. Third-party payors shall not release  
27 health care information disclosed under this chapter, except to the  
28 extent that health care providers are authorized to do so under RCW  
29 70.02.050.

30 **Sec. 3.** RCW 70.02.110 and 1991 c 335 s 402 are each amended to  
31 read as follows:

32 HEALTH INFORMATION PRIVACY. (1) In making a correction or  
33 amendment, the health care provider shall:

1 (a) Add the amending information as a part of the health record;  
2 and

3 (b) Mark the challenged entries as corrected or amended entries and  
4 indicate the place in the record where the corrected or amended  
5 information is located, in a manner practicable under the  
6 circumstances.

7 (2) If the health care provider maintaining the record of the  
8 patient's health care information refuses to make the patient's  
9 proposed correction or amendment, the provider shall:

10 (a) Permit the patient to file as a part of the record of the  
11 patient's health care information a concise statement of the correction  
12 or amendment requested and the reasons therefor; and

13 (b) Mark the challenged entry to indicate that the patient claims  
14 the entry is inaccurate or incomplete and indicate the place in the  
15 record where the statement of disagreement is located, in a manner  
16 practicable under the circumstances.

17 (3) A health care provider who receives a request from a patient to  
18 amend or correct the patient's health care information, as provided in  
19 RCW 70.02.100, shall forward any changes made in the patient's health  
20 care information or health record, including any statement of  
21 disagreement, to any third-party payor or insurer to which the health  
22 care provider has disclosed the health care information that is the  
23 subject of the request.

24 **Sec. 4.** RCW 70.02.900 and 1991 c 335 s 901 are each amended to  
25 read as follows:

26 HEALTH INFORMATION PRIVACY. (1) This chapter does not restrict a  
27 health care provider, a third-party payor, or an insurer regulated  
28 under Title 48 RCW from complying with obligations imposed by federal  
29 or state health care payment programs or federal or state law.

30 (2) This chapter does not modify the terms and conditions of  
31 disclosure under Title 51 RCW and chapters 13.50, 26.09, 70.24, 70.39,  
32 70.96A, 71.05, and 71.34 RCW and rules adopted under these provisions.

33 NEW SECTION. **Sec. 5.** HEALTH INFORMATION PRIVACY. (1) Health  
34 carriers and insurers shall adopt policies and procedures that conform  
35 administrative, business, and operational practices to protect an  
36 enrollee's right to privacy or right to confidential health care  
37 services granted under state or federal laws.

1 (2) The commissioner may adopt rules to implement this section  
2 after considering relevant standards adopted by national managed care  
3 accreditation organizations and the national association of insurance  
4 commissioners, and after considering the effect of those standards on  
5 the ability of carriers to undertake enrollee care management and  
6 disease management programs.

7 NEW SECTION. **Sec. 6.** INFORMATION DISCLOSURE. (1) A carrier that  
8 offers a health plan may not offer to sell a health plan to an enrollee  
9 or to any group representative, agent, employer, or enrollee  
10 representative without first offering to provide, and providing upon  
11 request, the following information before purchase or selection:

12 (a) A listing of covered benefits, including prescription drug  
13 benefits, if any, a copy of the current formulary, if any is used,  
14 definitions of terms such as generic versus brand name, and policies  
15 regarding coverage of drugs, such as how they become approved or taken  
16 off the formulary, and how consumers may be involved in decisions about  
17 benefits;

18 (b) A listing of exclusions, reductions, and limitations to covered  
19 benefits, and any definition of medical necessity or other coverage  
20 criteria upon which they may be based;

21 (c) A statement of the carrier's policies for protecting the  
22 confidentiality of health information;

23 (d) A statement of the cost of premiums and any enrollee cost-  
24 sharing requirements;

25 (e) A summary explanation of the carrier's grievance process;

26 (f) A statement regarding the availability of a point-of-service  
27 option, if any, and how the option operates; and

28 (g) A convenient means of obtaining lists of participating primary  
29 care and specialty care providers, including disclosure of network  
30 arrangements that restrict access to providers within any plan network.  
31 The offer to provide the information referenced in this subsection (1)  
32 must be clearly and prominently displayed on any information provided  
33 to any prospective enrollee or to any prospective group representative,  
34 agent, employer, or enrollee representative.

35 (2) Upon the request of any person, including a current enrollee,  
36 prospective enrollee, or the insurance commissioner, a carrier must  
37 provide written information regarding any health care plan it offers,  
38 that includes the following written information:

1 (a) Any documents, instruments, or other information referred to in  
2 the medical coverage agreement;

3 (b) A full description of the procedures to be followed by an  
4 enrollee for consulting a provider other than the primary care provider  
5 and whether the enrollee's primary care provider, the carrier's medical  
6 director, or another entity must authorize the referral;

7 (c) Procedures, if any, that an enrollee must first follow for  
8 obtaining prior authorization for health care services;

9 (d) A written description of any reimbursement or payment  
10 arrangements, including, but not limited to, capitation provisions,  
11 fee-for-service provisions, and health care delivery efficiency  
12 provisions, between a carrier and a provider or network;

13 (e) Descriptions and justifications for provider compensation  
14 programs, including any incentives or penalties that are intended to  
15 encourage providers to withhold services or minimize or avoid referrals  
16 to specialists;

17 (f) An annual accounting of all payments made by the carrier which  
18 have been counted against any payment limitations, visit limitations,  
19 or other overall limitations on a person's coverage under a plan;

20 (g) A copy of the carrier's grievance process for claim or service  
21 denial and for dissatisfaction with care; and

22 (h) Accreditation status with one or more national managed care  
23 accreditation organizations, and whether the carrier tracks its health  
24 care effectiveness performance using the health employer data  
25 information set (HEDIS), whether it publicly reports its HEDIS data,  
26 and how interested persons can access its HEDIS data.

27 (3) Each carrier shall provide to all enrollees and prospective  
28 enrollees a list of available disclosure items.

29 (4) Nothing in this section requires a carrier or a health care  
30 provider to divulge proprietary information to an enrollee, including  
31 the specific contractual terms and conditions between a carrier and a  
32 provider.

33 (5) No carrier may advertise or market any health plan to the  
34 public as a plan that covers services that help prevent illness or  
35 promote the health of enrollees unless it:

36 (a) Provides all clinical preventive health services provided by  
37 the basic health plan, authorized by chapter 70.47 RCW;

38 (b) Monitors and reports annually to enrollees on standardized  
39 measures of health care and satisfaction of all enrollees in the health

1 plan. The state department of health shall recommend appropriate  
2 standardized measures for this purpose, after consideration of national  
3 standardized measurement systems adopted by national managed care  
4 accreditation organizations and state agencies that purchase managed  
5 health care services; and

6 (c) Makes available upon request to enrollees its integrated plan  
7 to identify and manage the most prevalent diseases within its enrolled  
8 population, including cancer, heart disease, and stroke.

9 (6) No carrier may preclude or discourage its providers from  
10 informing an enrollee of the care he or she requires, including various  
11 treatment options, and whether in the providers' view such care is  
12 consistent with the plan's health coverage criteria, or otherwise  
13 covered by the enrollee's medical coverage agreement with the carrier.  
14 No carrier may prohibit, discourage, or penalize a provider otherwise  
15 practicing in compliance with the law from advocating on behalf of an  
16 enrollee with a carrier. Nothing in this section shall be construed to  
17 authorize a provider to bind a carrier to pay for any service.

18 (7) No carrier may preclude or discourage enrollees or those paying  
19 for their coverage from discussing the comparative merits of different  
20 carriers with their providers. This prohibition specifically includes  
21 prohibiting or limiting providers participating in those discussions  
22 even if critical of a carrier.

23 (8) Each carrier must communicate enrollee information required in  
24 this act by means that ensure that a substantial portion of the  
25 enrollee population can make use of the information.

26 (9) The commissioner may adopt rules to implement this section. In  
27 developing rules to implement this section, the commissioner shall  
28 consider relevant standards adopted by national managed care  
29 accreditation organizations and state agencies that purchase managed  
30 health care services.

31 NEW SECTION. **Sec. 7. ACCESS TO APPROPRIATE HEALTH SERVICES.** (1)  
32 Each enrollee in a health plan must have adequate choice among health  
33 care providers.

34 (2) Each carrier must allow an enrollee to choose a primary care  
35 provider who is accepting new enrollees from a list of participating  
36 providers. Enrollees also must be permitted to change primary care  
37 providers at any time with the change becoming effective no later than

1 the beginning of the month following the enrollee's request for the  
2 change.

3 (3) Each carrier must have a process whereby an enrollee with a  
4 complex or serious medical or psychiatric condition may receive a  
5 standing referral to a participating specialist for an extended period  
6 of time.

7 (4) Each carrier must provide for appropriate and timely referral  
8 of enrollees to a choice of specialists within the plan if specialty  
9 care is warranted. If the type of medical specialist needed for a  
10 specific condition is not represented on the specialty panel, enrollees  
11 must have access to nonparticipating specialty health care providers.

12 (5) Each carrier shall provide enrollees with direct access to the  
13 participating chiropractor of the enrollee's choice for covered  
14 chiropractic health care without the necessity of prior referral.  
15 Nothing in this subsection shall prevent carriers from restricting  
16 enrollees to seeing only providers who have signed participating  
17 provider agreements or from utilizing other managed care and cost  
18 containment techniques and processes. For purposes of this subsection,  
19 "covered chiropractic health care" means covered benefits and  
20 limitations related to chiropractic health services as stated in the  
21 plan's medical coverage agreement, with the exception of any provisions  
22 related to prior referral for services.

23 (6) Each carrier must provide, upon the request of an enrollee,  
24 access by the enrollee to a second opinion regarding any medical  
25 diagnosis or treatment plan from a qualified participating provider of  
26 the enrollee's choice.

27 (7) Each carrier must cover services of a primary care provider  
28 whose contract with the plan or whose contract with a subcontractor is  
29 being terminated by the plan or subcontractor without cause under the  
30 terms of that contract for at least sixty days following notice of  
31 termination to the enrollees or, in group coverage arrangements  
32 involving periods of open enrollment, only until the end of the next  
33 open enrollment period. The provider's relationship with the carrier  
34 or subcontractor must be continued on the same terms and conditions as  
35 those of the contract the plan or subcontractor is terminating, except  
36 for any provision requiring that the carrier assign new enrollees to  
37 the terminated provider.

38 (8) Every carrier shall meet the standards set forth in this  
39 section and any rules adopted by the commissioner to implement this

1 section. In developing rules to implement this section, the  
2 commissioner shall consider relevant standards adopted by national  
3 managed care accreditation organizations and state agencies that  
4 purchase managed health care services.

5 NEW SECTION. **Sec. 8.** HEALTH CARE DECISIONS. (1) Carriers that  
6 offer a health plan shall maintain a documented utilization review  
7 program description and written utilization review criteria based on  
8 reasonable medical evidence. The program must include a method for  
9 reviewing and updating criteria. Carriers shall make clinical  
10 protocols, medical management standards, and other review criteria  
11 available upon request to participating providers.

12 (2) The commissioner shall adopt, in rule, standards for this  
13 section after considering relevant standards adopted by national  
14 managed care accreditation organizations and state agencies that  
15 purchase managed health care services.

16 (3) A carrier shall not be required to use medical evidence or  
17 standards in its utilization review of religious nonmedical treatment  
18 or religious nonmedical nursing care.

19 NEW SECTION. **Sec. 9.** RETROSPECTIVE DENIAL OF SERVICES. (1) A  
20 health carrier that offers a health plan shall not retrospectively deny  
21 coverage for emergency and nonemergency care that had prior  
22 authorization under the plan's written policies at the time the care  
23 was rendered.

24 (2) The commissioner shall adopt, in rule, standards for this  
25 section after considering relevant standards adopted by national  
26 managed care accreditation organizations and state agencies that  
27 purchase managed health care services.

28 NEW SECTION. **Sec. 10.** GRIEVANCE PROCESS. (1) Each carrier that  
29 offers a health plan must have a fully operational, comprehensive  
30 grievance process that complies with the requirements of this section  
31 and any rules adopted by the commissioner to implement this section.  
32 For the purposes of this section, the commissioner shall consider  
33 grievance process standards adopted by national managed care  
34 accreditation organizations and state agencies that purchase managed  
35 health care services.

1 (2) Each carrier must process as a complaint an enrollee's  
2 expression of dissatisfaction about customer service or the quality or  
3 availability of a health service. Each carrier must implement  
4 procedures for registering and responding to oral and written  
5 complaints in a timely and thorough manner.

6 (3) Each carrier must provide written notice to an enrollee or the  
7 enrollee's designated representative, and the enrollee's provider, of  
8 its decision to deny, modify, reduce, or terminate payment, coverage,  
9 authorization, or provision of health care services or benefits,  
10 including the admission to or continued stay in a health care facility.

11 (4) Each carrier must process as an appeal an enrollee's written or  
12 oral request that the carrier reconsider: (a) Its resolution of a  
13 complaint made by an enrollee; or (b) its decision to deny, modify,  
14 reduce, or terminate payment, coverage, authorization, or provision of  
15 health care services or benefits, including the admission to, or  
16 continued stay in, a health care facility. A carrier must not require  
17 that an enrollee file a complaint prior to seeking appeal of a decision  
18 under (b) of this subsection.

19 (5) To process an appeal, each carrier must:

20 (a) Provide written notice to the enrollee when the appeal is  
21 received;

22 (b) Assist the enrollee with the appeal process;

23 (c) Make its decision regarding the appeal within thirty days of  
24 the date the appeal is received. An appeal must be expedited if the  
25 enrollee's provider or the carrier's medical director reasonably  
26 determines that following the appeal process response timelines could  
27 seriously jeopardize the enrollee's life, health, or ability to regain  
28 maximum function. The decision regarding an expedited appeal must be  
29 made within seventy-two hours of the date the appeal is received;

30 (d) Cooperate with a representative authorized in writing by the  
31 enrollee;

32 (e) Consider information submitted by the enrollee;

33 (f) Investigate and resolve the appeal; and

34 (g) Provide written notice of its resolution of the appeal to the  
35 enrollee and, with the permission of the enrollee, to the enrollee's  
36 providers. The written notice must explain the carrier's decision and  
37 the supporting coverage or clinical reasons and the enrollee's right to  
38 request independent review of the carrier's decision under section 11  
39 of this act.

1 (6) Written notice required by subsection (3) of this section must  
2 explain:

3 (a) The carrier's decision and the supporting coverage or clinical  
4 reasons; and

5 (b) The carrier's appeal process, including information, as  
6 appropriate, about how to exercise the enrollee's rights to obtain a  
7 second opinion, and how to continue receiving services as provided in  
8 this section.

9 (7) When an enrollee requests that the carrier reconsider its  
10 decision to modify, reduce, or terminate an otherwise covered health  
11 service that an enrollee is receiving through the health plan and the  
12 carrier's decision is based upon a finding that the health service, or  
13 level of health service, is no longer medically necessary or  
14 appropriate, the carrier must continue to provide that health service  
15 until the appeal is resolved. If the resolution of the appeal or any  
16 review sought by the enrollee under section 11 of this act affirms the  
17 carrier's decision, the enrollee may be responsible for the cost of  
18 this continued health service.

19 (8) Each carrier must provide a clear explanation of the grievance  
20 process upon request, upon enrollment to new enrollees, and annually to  
21 enrollees and subcontractors.

22 (9) Each carrier must ensure that the grievance process is  
23 accessible to enrollees who are limited English speakers, who have  
24 literacy problems, or who have physical or mental disabilities that  
25 impede their ability to file a grievance.

26 (10) Each carrier must: Track each appeal until final resolution;  
27 maintain, and make accessible to the commissioner for a period of three  
28 years, a log of all appeals; and identify and evaluate trends in  
29 appeals.

30 NEW SECTION. **Sec. 11.** INDEPENDENT REVIEW OF HEALTH CARE DISPUTES.

31 (1) There is a need for a process for the fair consideration of  
32 disputes relating to decisions by carriers that offer a health plan to  
33 deny, modify, reduce, or terminate coverage of or payment for health  
34 care services for an enrollee.

35 (2) An enrollee may seek review by a certified independent review  
36 organization of a carrier's decision to deny, modify, reduce, or  
37 terminate coverage of or payment for a health care service, after  
38 exhausting the carrier's grievance process and receiving a decision

1 that is unfavorable to the enrollee, or after the carrier has exceeded  
2 the timelines for grievances provided in section 10 of this act,  
3 without good cause and without reaching a decision.

4 (3) The commissioner must establish and use a rotational registry  
5 system for the assignment of a certified independent review  
6 organization to each dispute. The system should be flexible enough to  
7 ensure that an independent review organization has the expertise  
8 necessary to review the particular medical condition or service at  
9 issue in the dispute.

10 (4) Carriers must provide to the appropriate certified independent  
11 review organization, not later than the third business day after the  
12 date the carrier receives a request for review, a copy of:

13 (a) Any medical records of the enrollee that are relevant to the  
14 review;

15 (b) Any documents used by the carrier in making the determination  
16 to be reviewed by the certified independent review organization;

17 (c) Any documentation and written information submitted to the  
18 carrier in support of the appeal; and

19 (d) A list of each physician or health care provider who has  
20 provided care to the enrollee and who may have medical records relevant  
21 to the appeal. Health information or other confidential or proprietary  
22 information in the custody of a carrier may be provided to an  
23 independent review organization, subject to rules adopted by the  
24 commissioner.

25 (5) The medical reviewers from a certified independent review  
26 organization will make determinations regarding the medical necessity  
27 or appropriateness of, and the application of health plan coverage  
28 provisions to, health care services for an enrollee. The medical  
29 reviewers' determinations must be based upon their expert medical  
30 judgment, after consideration of relevant medical, scientific, and  
31 cost-effectiveness evidence, and medical standards of practice in the  
32 state of Washington. Except as provided in this subsection, the  
33 certified independent review organization must ensure that  
34 determinations are consistent with the scope of covered benefits as  
35 outlined in the medical coverage agreement. Medical reviewers may  
36 override the health plan's medical necessity or appropriateness  
37 standards if the standards are determined upon review to be  
38 unreasonable or inconsistent with sound, evidence-based medical  
39 practice.

1 (6) Once a request for an independent review determination has been  
2 made, the independent review organization must proceed to a final  
3 determination, unless requested otherwise by both the carrier and the  
4 enrollee or the enrollee's representative.

5 (7) Carriers must timely implement the certified independent review  
6 organization's determination, and must pay the certified independent  
7 review organization's charges.

8 (8) When an enrollee requests independent review of a dispute under  
9 this section, and the dispute involves a carrier's decision to modify,  
10 reduce, or terminate an otherwise covered health service that an  
11 enrollee is receiving at the time the request for review is submitted  
12 and the carrier's decision is based upon a finding that the health  
13 service, or level of health service, is no longer medically necessary  
14 or appropriate, the carrier must continue to provide the health service  
15 if requested by the enrollee until a determination is made under this  
16 section. If the determination affirms the carrier's decision, the  
17 enrollee may be responsible for the cost of the continued health  
18 service.

19 (9) A certified independent review organization may notify the  
20 office of the insurance commissioner if, based upon its review of  
21 disputes under this section, it finds a pattern of substandard or  
22 egregious conduct by a carrier.

23 (10)(a) The commissioner shall adopt rules to implement this  
24 section after considering relevant standards adopted by national  
25 managed care accreditation organizations.

26 (b) This section is not intended to supplant any existing authority  
27 of the office of the insurance commissioner under this title to oversee  
28 and enforce carrier compliance with applicable statutes and rules.

29 NEW SECTION. Sec. 12. A new section is added to chapter 43.70 RCW  
30 to read as follows:

31 INDEPENDENT REVIEW ORGANIZATIONS. (1) The department shall adopt  
32 rules providing a procedure and criteria for certifying one or more  
33 organizations to perform independent review of health care disputes  
34 described in section 11 of this act.

35 (2) The rules must require that the organization ensure:

36 (a) The confidentiality of medical records transmitted to an  
37 independent review organization for use in independent reviews;

1 (b) That each health care provider, physician, or contract  
2 specialist making review determinations for an independent review  
3 organization is qualified. Physicians, other health care providers,  
4 and, if applicable, contract specialists must be appropriately  
5 licensed, certified, or registered as required in Washington state or  
6 in at least one state with standards substantially comparable to  
7 Washington state. Reviewers may be drawn from nationally recognized  
8 centers of excellence, academic institutions, and recognized leading  
9 practice sites. Expert medical reviewers should have substantial,  
10 recent clinical experience dealing with the same or similar health  
11 conditions. The organization must have demonstrated expertise and a  
12 history of reviewing health care in terms of medical necessity,  
13 appropriateness, and the application of other health plan coverage  
14 provisions;

15 (c) That any physician, health care provider, or contract  
16 specialist making a review determination in a specific review is free  
17 of any actual or potential conflict of interest or bias. Neither the  
18 expert reviewer, nor the independent review organization, nor any  
19 officer, director, or management employee of the independent review  
20 organization may have any material professional, familial, or financial  
21 affiliation with any of the following: The health carrier;  
22 professional associations of carriers and providers; the provider; the  
23 provider's medical or practice group; the health facility at which the  
24 service would be provided; the developer or manufacturer of a drug or  
25 device under review; or the enrollee;

26 (d) The fairness of the procedures used by the independent review  
27 organization in making the determinations;

28 (e) That each independent review organization make its  
29 determination:

30 (i) Not later than the earlier of:

31 (A) The fifteenth day after the date the independent review  
32 organization receives the information necessary to make the  
33 determination; or

34 (B) The twentieth day after the date the independent review  
35 organization receives the request that the determination be made. In  
36 exceptional circumstances, when the independent review organization has  
37 not obtained information necessary to make a determination, a  
38 determination may be made by the twenty-fifth day after the date the  
39 organization received the request for the determination; and

1 (ii) In cases of a condition that could seriously jeopardize the  
2 enrollee's health or ability to regain maximum function, not later than  
3 the earlier of:

4 (A) Seventy-two hours after the date the independent review  
5 organization receives the information necessary to make the  
6 determination; or

7 (B) The eighth day after the date the independent review  
8 organization receives the request that the determination be made;

9 (f) That timely notice is provided to enrollees of the results of  
10 the independent review, including the clinical basis for the  
11 determination;

12 (g) That the independent review organization has a quality  
13 assurance mechanism in place that ensures the timeliness and quality of  
14 review and communication of determinations to enrollees and carriers,  
15 and the qualifications, impartiality, and freedom from conflict of  
16 interest of the organization, its staff, and expert reviewers; and

17 (h) That the independent review organization meets any other  
18 reasonable requirements of the department directly related to the

35 provinces of Canada; and

36        (10) Designate a medical director who is licensed under chapter  
37 18.57 or 18.71 RCW.

1       **Sec. 15.** RCW 74.09.050 and 1979 c 141 s 335 are each amended to  
2 read as follows:

5 may be reasonably necessary to carry out the provisions of this  
6 chapter. The medical screeners shall be supervised by one or more  
7 physicians who shall be appointed by the secretary or his or her  
8 designee. The secretary shall appoint a medical director who is  
9 licensed under chapter 18.57 or 18.71 RCW.

10       NEW SECTION. **Sec. 16.** A new section is added to chapter 41.05 RCW  
11 to read as follows:

12       HEALTH CARE AUTHORITY MEDICAL DIRECTOR. The administrator shall  
13 designate a medical director who is licensed under chapter 18.57 or  
14 18.71 RCW.

15       NEW SECTION. **Sec. 17.** CARRIER LIABILITY. (1)(a) A health carrier  
16 shall adhere to the accepted standard of care for health care providers  
17 under chapter 7.70 RCW when arranging for the provision of medically  
18 necessary health care services to its enrollees. A health carrier  
19 shall be liable for any and all harm proximately caused by its failure  
20 to follow that standard of care when the failure resulted in the  
21 denial, delay, or modification of the health care service recommended  
22 for, or furnished to, an enrollee.

23       (b) A health carrier is also liable for damages under (a) of this  
24 subsection for harm to an enrollee proximately caused by health care  
25 treatment decisions that result from a failure to follow the accepted  
26 standard of care made by its:

27       (i) Employees;

28       (ii) Agents; or

29       (iii) Ostensible agents who are acting on its behalf and over whom  
30 it has the right to exercise influence or control or has actually  
31 exercised influence or control.

32       (2) The provisions of this section may not be waived, shifted, or  
33 modified by contract or agreement and responsibility for the provisions  
34 shall be a duty that cannot be delegated. Any effort to waive, modify,  
35 delegate, or shift liability for a breach of the duty established by  
36 this section, through a contract for indemnification or otherwise, is  
37 invalid.

1 (3) This section does not create any new cause of action, or  
2 eliminate any presently existing cause of action, with respect to  
3 health care providers and health care facilities that are included in  
4 and subject to the provisions of chapter 7.70 RCW.

5 (4) It is a defense to any action or liability asserted under this  
6 section against a health carrier that:

7 (a) The health care service in question is not a benefit provided  
8 under the plan or the service is subject to limitations under the plan  
9 that have been exhausted;

10 (b) Neither the health carrier, nor any employee, agent, or  
11 ostensible agent for whose conduct the health carrier is liable under  
12 subsection (1)(b) of this section, controlled, influenced, or  
13 participated in the health care decision; or

14 (c) The health carrier did not deny or unreasonably delay payment  
15 for treatment prescribed or recommended by a participating health care  
16 provider for the enrollee.

17 (5) This section does not create any liability on the part of an  
18 employer, an employer group purchasing organization that purchases  
19 coverage or assumes risk on behalf of its employers, or a governmental  
20 agency that purchases coverage on behalf of individuals and families.  
21 The governmental entity established to offer and provide health  
22 insurance to public employees, public retirees, and their covered  
23 dependents under RCW 41.05.140 is subject to liability under this  
24 section.

25 (6) Nothing in any law of this state prohibiting a health carrier  
26 from practicing medicine or being licensed to practice medicine may be  
27 asserted as a defense by the health carrier in an action brought  
28 against it under this section.

29 (7)(a) A person may not maintain a cause of action under this  
30 section against a health carrier unless:

31 (i) The affected enrollee has suffered substantial harm. As used  
32 in this subsection, "substantial harm" means loss of life, loss or  
33 significant impairment of limb or bodily function, significant  
34 disfigurement, or severe or chronic physical pain; and

35 (ii) The affected enrollee or the enrollee's representative has  
36 exercised the opportunity established in section 11 of this act to seek  
37 independent review of the health care treatment decision.

38 (b) This subsection (7) does not prohibit an enrollee from pursuing  
39 other appropriate remedies, including injunctive relief, a declaratory

1 judgment, or other relief available under law, if its requirements  
2 place the enrollee's health in serious jeopardy.

3 (8) In an action against a health carrier, a finding that a health  
4 care provider is an employee, agent, or ostensible agent of such a  
5 health carrier shall not be based solely on proof that the person's  
6 name appears in a listing of approved physicians or health care  
7 providers made available to enrollees under a health plan.

8 (9) Any action under this section shall be commenced within three  
9 years of the completion of the independent review process.

10 (10) This section does not apply to workers' compensation insurance  
11 under Title 51 RCW.

12 NEW SECTION. **Sec. 18.** DELEGATION OF DUTIES. Each carrier is  
13 accountable for and must oversee any activities required by this act  
14 that it delegates to any subcontractor. No contract with a  
15 subcontractor executed by the health carrier or the subcontractor may  
16 relieve the health carrier of its obligations to any enrollee for the  
17 provision of health care services or of its responsibility for  
18 compliance with statutes or rules.

19 NEW SECTION. **Sec. 19.** APPLICATION. This act applies to: Health  
20 plans as defined in RCW 48.43.005 offered, renewed, or issued by a  
21 carrier; medical assistance provided under RCW 74.09.522; the basic  
22 health plan offered under chapter 70.47 RCW; and health benefits  
23 provided under chapter 41.05 RCW.

24 NEW SECTION. **Sec. 20.** A new section is added to chapter 41.05 RCW  
25 to read as follows:

26 Each health plan that provides medical insurance offered under this  
27 chapter, including plans created by insuring entities, plans not  
28 subject to the provisions of Title 48 RCW, and plans created under RCW  
29 41.05.140, are subject to the provisions of sections 1, 2, 5 through  
30 12, 17, 18, and RCW 70.02.110 and 70.02.900.

31 **Sec. 21.** RCW 70.47.130 and 1997 c 337 s 8 are each amended to read

34 plan under this chapter, including those of managed health care systems

1 to the extent of their participation in the plan, are exempt from the  
2 provisions and requirements of Title 48 RCW except:

3 (a) Benefits as provided in RCW 70.47.070;

4 (b) Managed health care systems are subject to the provisions of

6 (c) Persons appointed or authorized to solicit applications for  
7 enrollment in the basic health plan, including employees of the health  
8 care authority, must comply with chapter 48.17 RCW. For purposes of  
9 this subsection (1)((+b)) (c), "solicit" does not include distributing  
10 information and applications for the basic health plan and responding  
11 to questions; and

12 ((+e)) (d) Amounts paid to a managed health care system by the  
13 basic health plan for participating in the basic health plan and  
14 providing health care services for nonsubsidized enrollees in the basic  
15 health plan must comply with RCW 48.14.0201.

16 (2) The purpose of the 1994 amendatory language to this section in  
17 chapter 309, Laws of 1994 is to clarify the intent of the legislature  
18 that premiums paid on behalf of nonsubsidized enrollees in the basic  
19 health plan are subject to the premium and prepayment tax. The  
20 legislature does not consider this clarifying language to either raise  
21 existing taxes nor to impose a tax that did not exist previously.

22 NEW SECTION. Sec. 22. This act may be known and cited as the  
23 health care patient bill of rights.

24 NEW SECTION. Sec. 23. If specific funding for the purposes of  
25 this act, referencing this act by bill or chapter number, is not  
26 provided by June 30, 2000, in the omnibus appropriations act, this act  
27 is null and void.

28 NEW SECTION. Sec. 24. Captions used in this act are not any part  
29 of the law.

33 provision of this act conflicts with state or federal law, such  
34 provision must be construed in a manner most favorable to the enrollee.

1        NEW SECTION.    **Sec. 27.**    If any provision of this act or its  
2 application to any person or circumstance is held invalid, the  
3 remainder of the act or the application of the provision to other  
4 persons or circumstances is not affected.

9 2001.

10       (3) Section 29 of this act takes effect July 1, 2001.

11       NEW SECTION.    **Sec. 29.**    The following acts or parts of acts are  
12 each repealed:
