6 (a) The property continues to qualify as historic property; and

7 (b) The new owner files a notice of compliance with the assessor of
8 the county in which the property is located. Notice of compliance
9 forms shall be prescribed by the state department of revenue and
10 supplied by the county assessor. The notice shall contain a statement
11 that the new owner is aware of the special valuation and of the
12 potential tax liability involved when the property ceases to be valued
13 as historic property under this chapter. The signed notice of
14 compliance shall be attached to the real estate excise tax affidavit
15 provided for in RCW 82.45.120. If the notice of compliance is not
16 signed by the new owner and attached to the real estate excise tax
17 affidavit, all additional taxes calculated pursuant to RCW 84.26.090
18 shall become due and payable by the seller or transferor at time of
19 sale. The county auditor shall not accept an instrument of conveyance
20 of specially valued historic property for filing or recording unless
21 the new owner has signed the notice of compliance or the additional tax
22 has been paid, as evidenced by the real estate excise tax stamp affixed
23 thereto by the treasurer.

24 (3) When the property ceases to qualify for the special valuation
25 the owner shall immediately notify the state or local review board.

26 (4) Before the additional tax or penalty imposed by RCW 84.26.090
27 is levied, in the case of disqualification, the assessor shall notify
28 the taxpayer by mail, return receipt requested, of the
29 disqualification.

30 **Sec. 20.** RCW 84.33.120 and 1997 c 299 s 1 are each amended to read
31 as follows:

32 (1) In preparing the assessment rolls as of January 1, 1982, for
33 taxes payable in 1983 and each January 1st thereafter, the assessor
34 shall list each parcel of forest land at a value with respect to the
35 grade and class provided in this subsection and adjusted as provided in
36 subsection (2) of this section and shall compute the assessed value of
37 the land by using the same assessment ratio he or she applies generally

1 in computing the assessed value of other property in his or her county.
2 Values for the several grades of bare forest land shall be as follows.

8 (2) On or before December 31, 1981, the department shall adjust, by
9 rule under chapter 34.05 RCW, the forest land values contained in
10 subsection (1) of this section in accordance with this subsection, and
11 shall certify these adjusted values to the county assessor for his or
12 her use in preparing the assessment rolls as of January 1, 1982. For
13 the adjustment to be made on or before December 31, 1981, for use in
14 the 1982 assessment year, the department shall:

15 (a) Divide the aggregate value of all timber harvested within the
16 state between July 1, 1976, and June 30, 1981, by the aggregate harvest
17 volume for the same period, as determined from the harvester excise tax
18 returns filed with the department under RCW 82.04.291 and 84.33.071;
19 and

20 (b) Divide the aggregate value of all timber harvested within the
21 state between July 1, 1975, and June 30, 1980, by the aggregate harvest
22 volume for the same period, as determined from the harvester excise tax
23 returns filed with the department under RCW 82.04.291 and 84.33.071;
24 and

25 (c) Adjust the forest land values contained in subsection (1) of
26 this section by a percentage equal to one-half of the percentage change
27 in the average values of harvested timber reflected by comparing the
28 resultant values calculated under (a) and (b) of this subsection.

29 For the adjustments to be made on or before December 31, 1982, and
30 each succeeding year thereafter, the same procedure shall be followed
31 as described in this subsection utilizing harvester excise tax returns
32 filed under RCW 82.04.291 and this chapter except that this adjustment
33 shall be made to the prior year's adjusted value, and the five-year
34 periods for calculating average harvested timber values shall be
35 successively one year more recent.

36 (3) In preparing the assessment roll for 1972 and each year
37 thereafter, the assessor shall enter as the true and fair value of each
38 parcel of forest land the appropriate grade value certified to him or
39 her by the department of revenue, and he or she shall compute the

1 assessed value of such land by using the same assessment ratio he or
2 she applies generally in computing the assessed value of other property
3 in his or her county. In preparing the assessment roll for 1975 and
4 each year thereafter, the assessor shall assess and value as classified
5 forest land all forest land that is not then designated pursuant to RCW
6 84.33.120(4) or 84.33.130 and shall make a notation of such
7 classification upon the assessment and tax rolls. On or before January
8 15 of the first year in which such notation is made, the assessor shall
9 mail notice by certified mail to the owner that such land has been
10 classified as forest land and is subject to the compensating tax
11 imposed by this section. If the owner desires not to have such land
12 assessed and valued as classified forest land, he or she shall give the
13 assessor written notice thereof on or before March 31 of such year and
14 the assessor shall remove from the assessment and tax rolls the
15 classification notation entered pursuant to this subsection, and shall
16 thereafter assess and value such land in the manner provided by law
17 other than this chapter 84.33 RCW.

18 (4) In any year commencing with 1972, an owner of land which is
19 assessed and valued by the assessor other than pursuant to the
20 procedures set forth in RCW 84.33.110 and this section, and which has,
21 in the immediately preceding year, been assessed and valued by the
22 assessor as forest land, may appeal to the county board of equalization
23 by filing an application with the board in the manner prescribed in
24 subsection (2) of RCW 84.33.130. The county board shall afford the
25 applicant an opportunity to be heard if the application so requests and
26 shall act upon the application in the manner prescribed in subsection
27 (3) of RCW 84.33.130.

28 (5) Land that has been assessed and valued as classified forest
29 land as of any year commencing with 1975 assessment year or earlier
30 shall continue to be so assessed and valued until removal of
31 classification by the assessor only upon the occurrence of one of the
32 following events:

33 (a) Receipt of notice from the owner to remove such land from
34 classification as forest land;

35 (b) Sale or transfer to an ownership making such land exempt from
36 ad valorem taxation;

37 (c) Determination by the assessor, after giving the owner written
38 notice and an opportunity to be heard, that, because of actions taken
39 by the owner, such land is no longer primarily devoted to and used for

1 growing and harvesting timber. However, land shall not be removed from
2 classification if a governmental agency, organization, or other
3 recipient identified in subsection (9) or (10) of this section as
4 exempt from the payment of compensating tax has manifested its intent
5 in writing or by other official action to acquire a property interest
6 in classified forest land by means of a transaction that qualifies for
7 an exemption under subsection (9) or (10) of this section. The
8 governmental agency, organization, or recipient shall annually provide
9 the assessor of the county in which the land is located reasonable
10 evidence in writing of the intent to acquire the classified land as
11 long as the intent continues or within sixty days of a request by the
12 assessor. The assessor may not request this evidence more than once in
13 a calendar year;

14 (d) Determination that a higher and better use exists for such land
15 than growing and harvesting timber after giving the owner written
16 notice and an opportunity to be heard;

17 (e) Sale or transfer of all or a portion of such land to a new
18 owner, unless the new owner has signed a notice of forest land
19 classification continuance, except transfer to an owner who is an heir
20 or devisee of a deceased owner, shall not, by itself, result in removal
21 of classification. The signed notice of continuance shall be attached
22 to the real estate excise tax affidavit provided for in RCW 82.45.150.
23 The notice of continuance shall be on a form prepared by the department
24 of revenue. If the notice of continuance is not signed by the new
25 owner and attached to the real estate excise tax affidavit, all
26 compensating taxes calculated pursuant to subsection (7) of this
27 section shall become due and payable by the seller or transferor at
28 time of sale. The county auditor shall not accept an instrument of
29 conveyance of classified forest land for filing or recording unless the
30 new owner has signed the notice of continuance or the compensating tax
31 has been paid, as evidenced by the real estate excise tax stamp affixed
32 thereto by the treasurer. The seller, transferor, or new owner may
33 appeal the new assessed valuation calculated under subsection (7) of
34 this section to the county board of equalization. Jurisdiction is
35 hereby conferred on the county board of equalization to hear these
36 appeals.

37 The assessor shall remove classification pursuant to (c) or (d) of
38 this subsection prior to September 30 of the year prior to the
39 assessment year for which termination of classification is to be

1 effective. Removal of classification as forest land upon occurrence of
2 (a), (b), (d), or (e) of this subsection shall apply only to the land
3 affected, and upon occurrence of (c) of this subsection shall apply
4 only to the actual area of land no longer primarily devoted to and used
5 for growing and harvesting timber: PROVIDED, That any remaining
6 classified forest land meets necessary definitions of forest land
7 pursuant to RCW 84.33.100.

8 (6) Within thirty days after such removal of classification as
9 forest land, the assessor shall notify the owner in writing setting
10 forth the reasons for such removal. The owner of such land shall
11 thereupon have the right to apply for designation of such land as
12 forest land pursuant to subsection (4) of this section or RCW
13 84.33.130. The seller, transferor, or owner may appeal such removal to
14 the county board of equalization.

15 (7) Unless the owner successfully applies for designation of such
16 land or unless the removal is reversed on appeal, notation of removal
17 from classification shall immediately be made upon the assessment and
18 tax rolls, and commencing on January 1 of the year following the year
19 in which the assessor made such notation, such land shall be assessed
20 on the same basis as real property is assessed generally in that
21 county. Except as provided in subsection (5)(e), (9), or (10) of this
22 section and unless the assessor shall not have mailed notice of
23 classification pursuant to subsection (3) of this section, a
24 compensating tax shall be imposed which shall be due and payable to the
25 county treasurer thirty days after the owner is notified of the amount
26 of the compensating tax. As soon as possible, the assessor shall
27 compute the amount of such compensating tax and mail notice to the
28 owner of the amount thereof and the date on which payment is due. The
29 amount of such compensating tax shall be equal to the difference, if
30 any, between the amount of tax last levied on such land as forest land
31 and an amount equal to the new assessed valuation of such land
32 multiplied by the dollar rate of the last levy extended against such
33 land, multiplied by a number, in no event greater than ten, equal to
34 the number of years, commencing with assessment year 1975, for which
35 such land was assessed and valued as forest land.

36 (8) Compensating tax, together with applicable interest thereon,
37 shall become a lien on such land which shall attach at the time such
38 land is removed from classification as forest land and shall have
39 priority to and shall be fully paid and satisfied before any

1 recognizance, mortgage, judgment, debt, obligation or responsibility to
2 or with which such land may become charged or liable. Such lien may be
3 foreclosed upon expiration of the same period after delinquency and in
4 the same manner provided by law for foreclosure of liens for delinquent
5 real property taxes as provided in RCW 84.64.050. Any compensating tax
6 unpaid on its due date shall thereupon become delinquent. From the
7 date of delinquency until paid, interest shall be charged at the same
8 rate applied by law to delinquent ad valorem property taxes.

9 (9) The compensating tax specified in subsection (7) of this
10 section shall not be imposed if the removal of classification as forest
11 land pursuant to subsection (5) of this section resulted solely from:

12 (a) Transfer to a government entity in exchange for other forest
13 land located within the state of Washington;

14 (b) A taking through the exercise of the power of eminent domain,
15 or sale or transfer to an entity having the power of eminent domain in
16 anticipation of the exercise of such power;

17 (c) A donation of fee title, development rights, or the right to
18 harvest timber, to a government agency or organization qualified under
19 RCW 84.34.210 and 64.04.130 for the purposes enumerated in those
20 sections, or the sale or transfer of fee title to a governmental entity
21 or a nonprofit nature conservancy corporation, as defined in RCW
22 64.04.130, exclusively for the protection and conservation of lands
23 recommended for state natural area preserve purposes by the natural
24 heritage council and natural heritage plan as defined in chapter 79.70
25 RCW: PROVIDED, That at such time as the land is not used for the
26 purposes enumerated, the compensating tax specified in subsection (7)
27 of this section shall be imposed upon the current owner;

28 (d) The sale or transfer of fee title to the parks and recreation
29 commission for park and recreation purposes; or

30 (e) Official action by an agency of the state of Washington or by
31 the county or city within which the land is located that disallows the
32 present use of such land.

33 (10) In a county with a population of more than one million
34 inhabitants, the compensating tax specified in subsection (7) of this
35 section shall not be imposed if the removal of classification as forest
36 land pursuant to subsection (5) of this section resulted solely from:

37 (a) An action described in subsection (9) of this section; or

38 (b) A transfer of a property interest to a government entity, or to
39 a nonprofit historic preservation corporation or nonprofit nature

1 conservancy corporation, as defined in RCW 64.04.130, to protect or
2 enhance public resources, or to preserve, maintain, improve, restore,
3 limit the future use of, or otherwise to conserve for public use or
4 enjoyment, the property interest being transferred. At such time as
5 the property interest is not used for the purposes enumerated, the
6 compensating tax shall be imposed upon the current owner.

7 (11) With respect to any land that has been designated prior to May
8 6, 1974, pursuant to RCW 84.33.120(4) or 84.33.130, the assessor may,
9 prior to January 1, 1975, on his or her own motion or pursuant to
10 petition by the owner, change, without imposition of the compensating
11 tax provided under RCW 84.33.140, the status of such designated land to
12 classified forest land.

13 **Sec. 21.** RCW 84.33.140 and 1997 c 299 s 2 are each amended to read
14 as follows:

15 (1) When land has been designated as forest land pursuant to RCW
16 84.33.120(4) or 84.33.130, a notation of such designation shall be made
17 each year upon the assessment and tax rolls, a copy of the notice of
18 approval together with the legal description or assessor's tax lot
19 numbers for such land shall, at the expense of the applicant, be filed
20 by the assessor in the same manner as deeds are recorded, and such land
21 shall be graded and valued pursuant to RCW 84.33.110 and 84.33.120
22 until removal of such designation by the assessor upon occurrence of
23 any of the following:

24 (a) Receipt of notice from the owner to remove such designation;
25 (b) Sale or transfer to an ownership making such land exempt from
26 ad valorem taxation;

27 (c) Sale or transfer of all or a portion of such land to a new
28 owner, unless the new owner has signed a notice of forest land
29 designation continuance, except transfer to an owner who is an heir or
30 devisee of a deceased owner, shall not, by itself, result in removal of
31 classification. The signed notice of continuance shall be attached to
32 the real estate excise tax affidavit provided for in RCW 82.45.150.
33 The notice of continuance shall be on a form prepared by the department
34 of revenue. If the notice of continuance is not signed by the new
35 owner and attached to the real estate excise tax affidavit, all
36 compensating taxes calculated pursuant to subsection (3) of this
37 section shall become due and payable by the seller or transferor at
38 time of sale. The county auditor shall not accept an instrument of

1 conveyance of designated forest land for filing or recording unless the
2 new owner has signed the notice of continuance or the compensating tax
3 has been paid, as evidenced by the real estate excise tax stamp affixed
4 thereto by the treasurer. The seller, transferor, or new owner may
5 appeal the new assessed valuation calculated under subsection (3) of
6 this section to the county board of equalization. Jurisdiction is
7 hereby conferred on the county board of equalization to hear these
8 appeals;

9 (d) Determination by the assessor, after giving the owner written
10 notice and an opportunity to be heard, that:

11 (i) Such land is no longer primarily devoted to and used for
12 growing and harvesting timber. However, land shall not be removed from
13 designation if a governmental agency, organization, or other recipient
14 identified in subsection (5) or (6) of this section as exempt from the
15 payment of compensating tax has manifested its intent in writing or by
16 other official action to acquire a property interest in designated
17 forest land by means of a transaction that qualifies for an exemption
18 under subsection (5) or (6) of this section. The governmental agency,
19 organization, or recipient shall annually provide the assessor of the
20 county in which the land is located reasonable evidence in writing of
21 the intent to acquire the designated land as long as the intent
22 continues or within sixty days of a request by the assessor. The
23 assessor may not request this evidence more than once in a calendar
24 year;

25 (ii) The owner has failed to comply with a final administrative or
26 judicial order with respect to a violation of the restocking, forest
27 management, fire protection, insect and disease control and forest
28 debris provisions of Title 76 RCW or any applicable regulations
29 thereunder; or

30 (iii) Restocking has not occurred to the extent or within the time
31 specified in the application for designation of such land.

32 Removal of designation upon occurrence of any of (a) through (c) of
33 this subsection shall apply only to the land affected, and upon
34 occurrence of (d) of this subsection shall apply only to the actual
35 area of land no longer primarily devoted to and used for growing and
36 harvesting timber, without regard to other land that may have been
37 included in the same application and approval for designation:
38 PROVIDED, That any remaining designated forest land meets necessary
39 definitions of forest land pursuant to RCW 84.33.100.

1 (2) Within thirty days after such removal of designation of forest
2 land, the assessor shall notify the owner in writing, setting forth the
3 reasons for such removal. The seller, transferor, or owner may appeal
4 such removal to the county board of equalization.

5 (3) Unless the removal is reversed on appeal a copy of the notice
6 of removal with notation of the action, if any, upon appeal, together
7 with the legal description or assessor's tax lot numbers for the land
8 removed from designation shall, at the expense of the applicant, be
9 filed by the assessor in the same manner as deeds are recorded, and
10 commencing on January 1 of the year following the year in which the
11 assessor mailed such notice, such land shall be assessed on the same
12 basis as real property is assessed generally in that county. Except as
13 provided in subsection (1)(c), (5), or (6) of this section, a
14 compensating tax shall be imposed which shall be due and payable to the
15 county treasurer thirty days after the owner is notified of the amount
16 of the compensating tax. As soon as possible, the assessor shall
17 compute the amount of such compensating tax and mail notice to the
18 owner of the amount thereof and the date on which payment is due. The
19 amount of such compensating tax shall be equal to the difference
20 between the amount of tax last levied on such land as forest land and
21 an amount equal to the new assessed valuation of such land multiplied
22 by the dollar rate of the last levy extended against such land,
23 multiplied by a number, in no event greater than ten, equal to the
24 number of years for which such land was designated as forest land.

25 (4) Compensating tax, together with applicable interest thereon,
26 shall become a lien on such land which shall attach at the time such
27 land is removed from designation as forest land and shall have priority
28 to and shall be fully paid and satisfied before any recognizance,
29 mortgage, judgment, debt, obligation or responsibility to or with which
30 such land may become charged or liable. Such lien may be foreclosed
31 upon expiration of the same period after delinquency and in the same
32 manner provided by law for foreclosure of liens for delinquent real
33 property taxes as provided in RCW 84.64.050. Any compensating tax
34 unpaid on its due date shall thereupon become delinquent. From the
35 date of delinquency until paid, interest shall be charged at the same
36 rate applied by law to delinquent ad valorem property taxes.

37 (5) The compensating tax specified in subsection (3) of this
38 section shall not be imposed if the removal of designation pursuant to
39 subsection (1) of this section resulted solely from:

1 (a) Transfer to a government entity in exchange for other forest
2 land located within the state of Washington;

3 (b) A taking through the exercise of the power of eminent domain,
4 or sale or transfer to an entity having the power of eminent domain in
5 anticipation of the exercise of such power;

6 (c) A donation of fee title, development rights, or the right to
7 harvest timber, to a government agency or organization qualified under
8 RCW 84.34.210 and 64.04.130 for the purposes enumerated in those
9 sections, or the sale or transfer of fee title to a governmental entity
10 or a nonprofit nature conservancy corporation, as defined in RCW
11 64.04.130, exclusively for the protection and conservation of lands
12 recommended for state natural area preserve purposes by the natural
13 heritage council and natural heritage plan as defined in chapter 79.70
14 RCW: PROVIDED, That at such time as the land is not used for the
15 purposes enumerated, the compensating tax specified in subsection (3)
16 of this section shall be imposed upon the current owner;

17 (d) The sale or transfer of fee title to the parks and recreation
18 commission for park and recreation purposes; or

19 (e) Official action by an agency of the state of Washington or by
20 the county or city within which the land is located that disallows the
21 present use of such land.

22 (6) In a county with a population of more than one million
23 inhabitants, the compensating tax specified in subsection (3) of this
24 section shall not be imposed if the removal of classification as forest
25 land pursuant to subsection (1) of this section resulted solely from:

26 (a) An action described in subsection (5) of this section; or

27 (b) A transfer of a property interest to a government entity, or to
28 a nonprofit historic preservation corporation or nonprofit nature
29 conservancy corporation, as defined in RCW 64.04.130, to protect or
30 enhance public resources, or to preserve, maintain, improve, restore,
31 limit the future use of, or otherwise to conserve for public use or
32 enjoyment, the property interest being transferred. At such time as
33 the property interest is not used for the purposes enumerated, the
34 compensating tax shall be imposed upon the current owner.

35 **Sec. 22.** RCW 84.34.108 and 1992 c 69 s 12 are each amended to read
36 as follows:

37 (1) When land has once been classified under this chapter, a
38 notation of such classification shall be made each year upon the

1 assessment and tax rolls and such land shall be valued pursuant to RCW
2 84.34.060 or 84.34.065 until removal of all or a portion of such
3 classification by the assessor upon occurrence of any of the following:

4 (a) Receipt of notice from the owner to remove all or a portion of
5 such classification;

6 (b) Sale or transfer to an ownership, except a transfer that
7 resulted from a default in loan payments made to or secured by a
8 governmental agency that intends to or is required by law or regulation
9 to resell the property for the same use as before, making all or a
10 portion of such land exempt from ad valorem taxation;

11 (c) Sale or transfer of all or a portion of such land to a new
12 owner, unless the new owner has signed a notice of classification
13 continuance, except transfer to an owner who is an heir or devisee of
14 a deceased owner shall not, by itself, result in removal of
15 classification. The signed notice of continuance shall be attached to
16 the real estate excise tax affidavit provided for in RCW 82.45.120, as
17 now or hereafter amended. The notice of continuance shall be on a form
18 prepared by the department of revenue. If the notice of continuance is
19 not signed by the new owner and attached to the real estate excise tax
20 affidavit, all additional taxes calculated pursuant to subsection (3)
21 of this section shall become due and payable by the seller or
22 transferor at time of sale. The county auditor shall not accept an
23 instrument of conveyance of classified land for filing or recording
24 unless the new owner has signed the notice of continuance or the
25 additional tax has been paid, as evidenced by the real estate excise
26 tax stamp affixed thereto by the treasurer. The seller, transferor, or
27 new owner may appeal the new assessed valuation calculated under
28 subsection (3) of this section to the county board of equalization.
29 Jurisdiction is hereby conferred on the county board of equalization to
30 hear these appeals;

31 (d) Determination by the assessor, after giving the owner written
32 notice and an opportunity to be heard, that all or a portion of such
33 land no longer meets the criteria for classification under this
34 chapter. The criteria for classification pursuant to this chapter
35 continue to apply after classification has been granted.

36 The granting authority, upon request of an assessor, shall provide
37 reasonable assistance to the assessor in making a determination whether
38 such land continues to meet the qualifications of RCW 84.34.020 (1) or

1 (3). The assistance shall be provided within thirty days of receipt of
2 the request.

3 (2) Within thirty days after such removal of all or a portion of
4 such land from current use classification, the assessor shall notify
5 the owner in writing, setting forth the reasons for such removal. The
6 seller, transferor, or owner may appeal such removal to the county
7 board of equalization.

8 (3) Unless the removal is reversed on appeal, the assessor shall
9 revalue the affected land with reference to full market value on the
10 date of removal from classification. Both the assessed valuation
11 before and after the removal of classification shall be listed and
12 taxes shall be allocated according to that part of the year to which
13 each assessed valuation applies. Except as provided in subsection (5)
14 of this section, an additional tax, applicable interest, and penalty
15 shall be imposed which shall be due and payable to the county treasurer
16 thirty days after the owner is notified of the amount of the additional
17 tax. As soon as possible, the assessor shall compute the amount of
18 such an additional tax, applicable interest, and penalty and the
19 treasurer shall mail notice to the owner of the amount thereof and the
20 date on which payment is due. The amount of such additional tax,
21 applicable interest, and penalty shall be determined as follows:

22 (a) The amount of additional tax shall be equal to the difference
23 between the property tax paid as "open space land", "farm and
24 agricultural land", or "timber land" and the amount of property tax
25 otherwise due and payable for the seven years last past had the land
26 not been so classified;

27 (b) The amount of applicable interest shall be equal to the
28 interest upon the amounts of such additional tax paid at the same
29 statutory rate charged on delinquent property taxes from the dates on
30 which such additional tax could have been paid without penalty if the
31 land had been assessed at a value without regard to this chapter;

32 (c) The amount of the penalty shall be as provided in RCW
33 84.34.080. The penalty shall not be imposed if the removal satisfies
34 the conditions of RCW 84.34.070.

35 (4) Additional tax, applicable interest, and penalty, shall become
36 a lien on such land which shall attach at the time such land is removed
37 from classification under this chapter and shall have priority to and
38 shall be fully paid and satisfied before any recognizance, mortgage,
39 judgment, debt, obligation or responsibility to or with which such land

1 may become charged or liable. Such lien may be foreclosed upon
2 expiration of the same period after delinquency and in the same manner
3 provided by law for foreclosure of liens for delinquent real property
4 taxes as provided in RCW 84.64.050 now or as hereafter amended. Any
5 additional tax unpaid on its due date shall thereupon become
6 delinquent. From the date of delinquency until paid, interest shall be
7 charged at the same rate applied by law to delinquent ad valorem
8 property taxes.

9 (5) The additional tax, applicable interest, and penalty specified
10 in subsection (3) of this section shall not be imposed if the removal
11 of classification pursuant to subsection (1) of this section resulted
12 solely from:

13 (a) Transfer to a government entity in exchange for other land
14 located within the state of Washington;

15 (b)(i) A taking through the exercise of the power of eminent
16 domain, or (ii) sale or transfer to an entity having the power of

19 action;

20 (c) A natural disaster such as a flood, windstorm, earthquake, or
21 other such calamity rather than by virtue of the act of the landowner
22 changing the use of such property;

23 (d) Official action by an agency of the state of Washington or by
24 the county or city within which the land is located which disallows the
25 present use of such land;

26 (e) Transfer of land to a church when such land would qualify for
27 exemption pursuant to RCW 84.36.020;

28 (f) Acquisition of property interests by state agencies or agencies
29 or organizations qualified under RCW 84.34.210 and 64.04.130 for the
30 purposes enumerated in those sections: PROVIDED, That at such time as
