7 "NOW, THEREFORE, Your Memorialists respectfully pray that Congress  
8 pass legislation to restore and revitalize federal funding for the Land  
9 and Water Conservation Fund for the purchase of lands east of the  
10 Mississippi river and for lands which, as of January 1, 1999, would not  
11 cause any net increase in acres of federal or state-owned land in each  
12 state for purchases west of the Mississippi river. We pray that  
13 Congress create a new dedicated fund for state-level fish and wildlife  
14 management, which would be administered by the United States fish and  
15 wildlife service."
