2 SSB 5680 - S AMD - 137

3 By Senator Bentons Benton, Stevens, Swecker and Roach

4

5 On page 2, line 2, after "hazard." insert "Utilities are
6 responsible for providing proper notification to the railroad company,
7 and reversionary property owners, if any, regarding planned
8 construction and repairs and any emergencies that may have an effect on
9 railroad operations or the use of abutting or adjacent property."

EFFECT: Utilities must notify abutting or adjacent property owners regarding any planned construction or repairs.
