21 the general coverage of the contract; or

22       (d) If it has any title, heading, or other indication of its  
23 provisions which is misleading; or

24       (e) If purchase of insurance thereunder is being solicited by

3 for health care services for an enrollee.

4 (b) "Claims reserves" means: (i) The liability for claims which  
5 have been reported but not paid; (ii) the liability for claims which

8 a specific liability purpose or not.

9 (c) "Earned premiums" means premiums, as defined in RCW 48.43.005,

18 (f) "Premiums earned" means premiums, as defined in RCW 48.43.005  
19 plus any rate credits or recoupments less any refunds for the  
20 applicable period whether received before, during, or after the  
21 applicable period.

22 (g) "Reserves" means: (i) Active life reserves; and (ii)  
23 additional reserves whether for a specific liability purpose or not.

26 with the commissioner prior to use.

27 (3) An insurer shall file with the notice required under subsection

29 determining the rates charged. The commissioner may request only the  
30 following supporting documentation:

36 nonclaims expenses used to determine the adjusted community rates  
37 charged; and

38 (d) A certification by a member of the American academy of  
39 actuaries, or other person acceptable to the commissioner, that the

1 adjusted community rate charged can be reasonably expected to result in  
2 a loss ratio that meets or exceeds the loss ratio standard established  
3 in subsection (7) of this section.

4 (4) The commissioner may not disapprove or otherwise impede the  
5 implementation of the filed rates.

6 (5) By the last day of May each year any insurer providing  
7 individual health benefit plans in this state shall file for review by  
8 the commissioner supporting documentation of its actual loss ratio for  
9 its individual health benefit plans offered in the state in aggregate  
10 for the preceding calendar year. The filing shall include a  
11 certification by a member of the American academy of actuaries, or  
12 other person acceptable to the commissioner, that the actual loss ratio  
13 has been calculated in accordance with accepted actuarial principles.

14 (a) At the expiration of a thirty-day period commencing with the  
15 date the filing is delivered to the commissioner, the filing shall be  
16 deemed approved unless prior thereto the commissioner contests the  
17 calculation of the actual loss ratio.

18 (b) If the commissioner contests the calculation of the actual loss  
19 ratio, the commissioner shall state in writing the grounds for  
20 contesting the calculation to the insurer.

21 (c) Any dispute regarding the calculation of the actual loss ratio  
22 shall, upon written demand of either the commissioner or the insurer,  
23 be submitted to hearing under chapters 48.04 and 34.05 RCW.

25 less than the loss ratio established in subsection (7) of this section,  
26 refunds are due and the following shall apply:

27 (a) The insurer shall calculate a percentage of premium to be  
28 remitted to the Washington state health insurance pool by subtracting  
29 the actual loss ratio for the preceding year from the loss ratio  
30 established in subsection (7) of this section.

31 (b) The remittance to the Washington state health insurance pool is  
32 the percentage calculated in (a) of the subsection, multiplied by the  
33 premium earned from each enrollee in the previous calendar year.  
34 Interest shall be added to the remittance due at a five percent annual  
35 rate calculated from the end of the calendar year for which remittances  
36 are due to the date the remittances are made.

38 remitted to the Washington state high risk pool to be used as directed  
39 by the pool board of directors.

1 (d) Any remittance required to be issued under this section shall  
2 be issued within thirty days after the actual loss ratio is deemed  
3 approved under subsection (5)(a) of this section or the determination  
4 by an administrative law judge under subsection (5)(c) of this section.

5 (7) The loss ratio applicable to this section shall be seventy-four  
6 percent minus the premium tax rate applicable to the insurer's

16 ~~offering, or an individual from purchasing, other health benefit plans~~  
17 ~~that may have more or less comprehensive benefits than the basic health~~  
18 ~~plan, provided such plans are in accordance with this chapter. An~~  
19 ~~insurer offering a health benefit plan that does not include benefits~~  
20 ~~provided in the basic health plan shall clearly disclose these~~  
21 ~~differences to the individual in a brochure approved by the~~  
22 ~~commissioner.~~

23 ~~(b) A health benefit plan shall provide coverage for hospital~~  
24 ~~expenses and services rendered by a physician licensed under chapter~~  
25 ~~18.57 or 18.71 RCW but is not subject to the requirements of RCW~~

30 ~~differ from the basic health plan.~~

31 ~~(2))~~ Premiums for health benefit plans for individuals shall be  
32 calculated using the adjusted community rating method that spreads  
33 financial risk across the carrier's entire individual product  
34 population. All such rates shall conform to the following:

36 community rate and may only vary the adjusted community rate for:

4 (b) The adjustment for age in (a)(iii) of this subsection may not

6 with age twenty and end with age sixty-five. Individuals under the age  
7 of twenty shall be treated as those age twenty.

8 (c) The insurer shall be permitted to develop separate rates for  
9 individuals age sixty-five or older for coverage for which medicare is  
10 the primary payer and coverage for which medicare is not the primary  
11 payer. Both rates shall be subject to the requirements of this  
12 subsection.

13 (d) The permitted rates for any age group shall be no more than

19 attributed to such programs not to exceed twenty percent.

20 (f) The rate charged for a health benefit plan offered under this  
21 section may not be adjusted more frequently than annually except that  
22 the premium may be changed to reflect:

23 (i) Changes to the family composition;

24 (ii) Changes to the health benefit plan requested by the  
25 individual; or

26 (iii) Changes in government requirements affecting the health  
27 benefit plan.

28 (g) For the purposes of this section, a health benefit plan that  
29 contains a restricted network provision shall not be considered similar  
30 coverage to a health benefit plan that does not contain such a  
31 provision, provided that the restrictions of benefits to network  
32 providers result in substantial differences in claims costs. This  
33 subsection does not restrict or enhance the portability of benefits as  
34 provided in RCW 48.43.015.

35 (h) A tenure discount for continuous enrollment in the health plan  
36 of two years or more may be offered, not to exceed ten percent.

37 ~~((+3+))~~ (2) Adjusted community rates established under this section

6 (c) Approve the standard health questionnaire and any modifications  
7 needed to comply with this chapter. The standard health questionnaire  
8 shall be submitted to an actuary for certification, modified as  
9 necessary, and approved at least every eighteen months. The  
10 designation and approval of the standard health questionnaire by the  
11 board shall not be subject to review and approval by the commissioner.  
12 The standard health questionnaire or any modification thereto shall not  
13 be used until ninety days after public notice of the approval of the  
14 questionnaire or any modification thereto, except that the initial  
15 standard health questionnaire approved for use by the board after the  
16 effective date of this section may be used immediately following public  
17 notice of such approval;

18 (d) Establish appropriate rates, rate schedules, rate adjustments,  
19 expense allowances, agent referral fees, claim reserve formulas and any  
20 other actuarial functions appropriate to the operation of the pool.  
21 Rates shall not be unreasonable in relation to the coverage provided,  
22 the risk experience, and expenses of providing the coverage. Rates and  
23 rate schedules may be adjusted for appropriate risk factors such as age  
24 and area variation in claim costs and shall take into consideration  
25 appropriate risk factors in accordance with established actuarial  
26 underwriting practices consistent with Washington state small group  
27 plan rating requirements under RCW 48.44.023 and 48.46.066;

28 ~~((+4))~~ (e) Assess members of the pool in accordance with the  
29 provisions of this chapter, and make advance interim assessments as may

33 ~~((+5))~~ (f) Issue policies of health coverage in accordance with  
34 the requirements of this chapter;

35 ~~((+6))~~ (g) Set a reasonable fee to be paid to an insurance agent  
36 licensed in Washington state for submitting an acceptable application  
37 for enrollment in the pool; and

38 (h) Provide certification to the commissioner when assessments will  
39 exceed the threshold level established in section 35 of this act.

1       (2) In addition thereto, the board may:

2       (a) Enter into contracts as are necessary or proper to carry out  
3 the provisions and purposes of this chapter including the authority,  
4 with the approval of the commissioner, to enter into contracts with  
5 similar pools of other states for the joint performance of common  
6 administrative functions, or with persons or other organizations for  
7 the performance of administrative functions;

8       (b) Sue or be sued, including taking any legal action as necessary  
9 to avoid the payment of improper claims against the pool or the  
10 coverage provided by or through the pool;

11       (c) Appoint appropriate legal, actuarial, and other committees as  
12 necessary to provide technical assistance in the operation of the pool,

14 authority of the pool; and

15       ~~((+7+))~~ (d) Conduct periodic audits to assure the general accuracy  
16 of the financial data submitted to the pool, and the board shall cause  
17 the pool to have an annual audit of its operations by an independent  
18 certified public accountant.

19       (3) Notwithstanding chapter 34.05 RCW, nothing in this section  
20 shall be considered a rule.

21       **Sec. 9.** RCW 48.41.080 and 1997 c 231 s 212 are each amended to  
22 read as follows:

23       The board shall select an administrator from the membership of the  
24 pool whether domiciled in this state or another state through a  
25 competitive bidding process to administer the pool.

26       (1) The board shall evaluate bids based upon criteria established  
27 by the board, which shall include:

28       (a) The administrator's proven ability to handle health coverage;

29       (b) The efficiency of the administrator's claim-paying procedures;

30       (c) An estimate of the total charges for administering the plan;

31 and

32       (d) The administrator's ability to administer the pool in a cost-  
33 effective manner.

34       (2) The administrator shall serve for a period of three years  
35 subject to removal for cause. At least six months prior to the  
36 expiration of each three-year period of service by the administrator,  
37 the board shall invite all interested parties, including the current  
38 administrator, to submit bids to serve as the administrator for the

1 succeeding three-year period. Selection of the administrator for this  
2 succeeding period shall be made at least three months prior to the end  
3 of the current three-year period.

4 (3) The administrator shall perform such duties as may be assigned  
5 by the board including:

6 (a) (~~All~~) Administering eligibility and administrative claim  
7 payment functions relating to the pool;

8 (b) Establishing a premium billing procedure for collection of  
9 premiums from covered persons. Billings shall be made on a periodic  
10 basis as determined by the board, which shall not be more frequent than  
11 a monthly billing;

12 (c) Performing all necessary functions to assure timely payment of  
13 benefits to covered persons under the pool including:

14 (i) Making available information relating to the proper manner of  
15 submitting a claim for benefits to the pool, and distributing forms  
16 upon which submission shall be made;

17 (ii) Taking steps necessary to offer and administer managed care  
18 benefit plans; and

19 (iii) Evaluating the eligibility of each claim for payment by the  
20 pool;

21 (d) Submission of regular reports to the board regarding the  
22 operation of the pool. The frequency, content, and form of the report  
23 shall be as determined by the board;

24 (e) Following the close of each accounting year, determination of  
25 net paid and earned premiums, the expense of administration, and the  
26 paid and incurred losses for the year and reporting this information to  
27 the board and the commissioner on a form as prescribed by the  
28 commissioner.

29 (4) The administrator shall be paid as provided in the contract  
30 between the board and the administrator for its expenses incurred in  
31 the performance of its services.

32 **Sec. 10.** RCW 48.41.090 and 1989 c 121 s 6 are each amended to read  
33 as follows:

34 (1) Following the close of each accounting year, the pool  
35 administrator shall determine the net premium (premiums less  
36 administrative expense allowances), the pool expenses of  
37 administration, and incurred losses for the year, taking into account  
38 investment income and other appropriate gains and losses.

1 (2)(a) Each member's proportion of participation in the pool shall  
2 be determined annually by the board based on annual statements and  
3 other reports deemed necessary by the board and filed by the member  
4 with the commissioner; and shall be determined by multiplying the total  
5 cost of pool operation by a fraction(~~(7)~~). ~~The numerator of ((which))~~  
6 the fraction equals that member's total: Number of resident insured  
7 persons, including spouse and dependents under the member's health  
8 plans in the state during the preceding calendar year(~~7~~and). ~~The~~  
9 ~~denominator of ((which))~~ the fraction equals the total number of  
10 resident insured persons including spouses and dependents insured under  
11 all health plans in the state by pool members.

12 (b) Except as provided in section 35 of this act, any deficit  
13 incurred by the pool shall be recouped by assessments among members  
14 apportioned under this subsection pursuant to the formula set forth by  
15 the board among members.

16 (3) The board may abate or defer, in whole or in part, the  
17 assessment of a member if, in the opinion of the board, payment of the  
18 assessment would endanger the ability of the member to fulfill its  
19 contractual obligations. If an assessment against a member is abated  
20 or deferred in whole or in part, the amount by which such assessment is  
21 abated or deferred may be assessed against the other members in a  
22 manner consistent with the basis for assessments set forth in  
23 subsection (2) of this section. The member receiving such abatement or  
24 deferment shall remain liable to the pool for the deficiency.

25 (4) If assessments exceed actual losses and administrative expenses  
26 of the pool, the excess shall be held at interest and used by the board  
27 to offset future losses or to reduce pool premiums. As used in this  
28 subsection, "future losses" includes reserves for incurred but not  
29 reported claims.

30 **Sec. 11.** RCW 48.41.100 and 1995 c 34 s 5 are each amended to read  
31 as follows:

32 (1) ~~((Any individual))~~ The following persons who ~~((is a))~~ are  
33 residents of this state ((is)) are eligible for pool coverage ~~((upon~~  
34 ~~providing evidence of rejection for medical reasons, a requirement of~~  
35 ~~restrictive riders, an up-rated premium, or a preexisting conditions~~  
36 ~~limitation on health insurance, the effect of which is to substantially~~  
37 ~~reduce coverage from that received by a person considered a standard~~  
38 ~~risk, by at least one member within six months of the date of~~

1 application. ~~Evidence of rejection may be waived in accordance with~~  
2 ~~rules adopted by the board~~)):

3 (a) Any person who provides evidence of a carrier's decision not to  
4 accept him or her for enrollment in an individual health benefit plan  
5 as defined in RCW 48.43.005 based upon the results of the standard  
6 health questionnaire designated by the board and administered by health  
7 carriers under section 21 of this act;

8 (b) Any person who resides in a county of the state where no member  
9 offers to the public any individual health benefit plan as defined in  
10 RCW 48.43.005 at the time of application to the pool and makes direct  
11 application to the pool.

12 (2) The following persons are not eligible for coverage by the  
13 pool:

14 (a) Any person having terminated coverage in the pool unless (i)  
15 twelve months have lapsed since termination, or (ii) that person can  
16 show continuous other coverage which has been involuntarily terminated  
17 for any reason other than nonpayment of premiums;

18 (b) Any person on whose behalf the pool has paid out ~~((five hundred~~  
19 ~~thousand))~~ one million dollars in benefits;

20 (c) Inmates of public institutions and persons whose benefits are  
21 duplicated under public programs;

22 (d) Any person who resides in a county of the state where any  
23 member offers to the public an individual health benefit plan as  
24 defined in RCW 48.43.005 at the time of application to the pool and  
25 does not qualify for pool coverage based upon the results of the  
26 standard health questionnaire.

27 ~~((3) Any person whose health insurance coverage is involuntarily~~  
28 ~~terminated for any reason other than nonpayment of premium may apply~~  
29 ~~for coverage under the plan.))~~

30 **Sec. 12.** RCW 48.41.110 and 1997 c 231 s 213 are each amended to  
31 read as follows:

32 (1) The pool ~~((is authorized to))~~ shall offer one or more  
33 ~~((managed))~~ care management plans of coverage. Such plans may, but are  
34 not required to, include point of service features that permit  
35 participants to receive in-network benefits or out-of-network benefits  
36 subject to differential cost shares. Covered persons enrolled in the  
37 pool on January 1, ~~((1997))~~ 2001, may continue coverage under the pool

1 plan in which they are enrolled on that date. However, the pool may  
2 incorporate managed care features into such existing plans.

3 (2) The administrator shall prepare a brochure outlining the  
4 benefits and exclusions of the pool policy in plain language. After  
5 approval by the board (~~(of directors)~~), such brochure shall be made  
6 reasonably available to participants or potential participants.

7 (3) The health insurance policy issued by the pool shall pay only  
8 (~~(usual, customary, and)~~) reasonable (~~(charges)~~) amounts for medically

11 not otherwise limited or excluded. Eligible expenses are the (~~(usual,~~  
12 ~~customary, and)~~) reasonable (~~(charges)~~) amounts for the health care  
13 services and items for which benefits are extended under the pool  
14 policy. Such benefits shall at minimum include, but not be limited to,  
15 the following services or related items:

16 (a) Hospital services, including charges for the most common  
17 semiprivate room, for the most common private room if semiprivate rooms  
18 do not exist in the health care facility, or for the private room if  
19 medically necessary, but limited to a total of one hundred eighty  
20 inpatient days in a calendar year, and limited to thirty days inpatient  
21 care for mental and nervous conditions, or alcohol, drug, or chemical  
22 dependency or abuse per calendar year;

23 (b) Professional services including surgery for the treatment of  
24 injuries, illnesses, or conditions, other than dental, which are  
25 rendered by a health care provider, or at the direction of a health  
26 care provider, by a staff of registered or licensed practical nurses,  
27 or other health care providers;

28 (c) The first twenty outpatient professional visits for the  
29 diagnosis or treatment of one or more mental or nervous conditions or  
30 alcohol, drug, or chemical dependency or abuse rendered during a  
31 calendar year by one or more physicians, psychologists, or community  
32 mental health professionals, or, at the direction of a physician, by  
33 other qualified licensed health care practitioners, in the case of  
34 mental or nervous conditions, and rendered by a state certified  
35 chemical dependency program approved under chapter 70.96A RCW, in the  
36 case of alcohol, drug, or chemical dependency or abuse;

37 (d) Drugs and contraceptive devices requiring a prescription;

2 convalescent care, for not more than one hundred days in a calendar  
3 year as prescribed by a physician;

4 (f) Services of a home health agency;

5 (g) Chemotherapy, radioisotope, radiation, and nuclear medicine  
6 therapy;

7 (h) Oxygen;

8 (i) Anesthesia services;

9 (j) Prostheses, other than dental;

10 (k) Durable medical equipment which has no personal use in the  
11 absence of the condition for which prescribed;

12 (l) Diagnostic x-rays and laboratory tests;

13 (m) Oral surgery limited to the following: Fractures of facial  
14 bones; excisions of mandibular joints, lesions of the mouth, lip, or  
15 tongue, tumors, or cysts excluding treatment for temporomandibular

17 dislocations of the jaw; plastic reconstruction or repair of traumatic  
18 injuries occurring while covered under the pool; and excision of  
19 impacted wisdom teeth;

20 (n) Maternity care services(~~((, as provided in the managed care plan

25 (p) Hospice services;

26 (q) Professional ambulance service to the nearest health care  
27 facility qualified to treat the illness or injury; and

28 (r) Other medical equipment, services, or supplies required by  
29 physician's orders and medically necessary and consistent with the  
30 diagnosis, treatment, and condition.

31 ~~((+3))~~ (4) The board shall design and employ cost containment  
32 measures and requirements such as, but not limited to, care  
33 coordination, provider network limitations, preadmission certification,  
34 and concurrent inpatient review which may make the pool more cost-

38 coinsurance, and deductibles that are consistent with managed care  
39 products, except that differential cost shares may be adopted by the

1 board for nonnetwork providers under point of service plans. The pool  
2 benefit policy cost shares and limitations must be consistent with  
3 those that are generally included in health plans approved by the  
4 insurance commissioner; however, no limitation, exception, or reduction  
5 may be used that would exclude coverage for any disease, illness, or  
6 injury.

7 ~~((5))~~ (6) The pool may not reject an individual for health plan  
8 coverage based upon preexisting conditions of the individual or deny,  
9 exclude, or otherwise limit coverage for an individual's preexisting  
10 health conditions; except that it ~~((may))~~ shall impose a ~~((three-~~  
11 ~~month))~~ six-month benefit waiting period for preexisting conditions for  
12 which medical advice was given, ~~((or))~~ for which a health care provider  
13 recommended or provided treatment, or for which a prudent layperson  
14 would have sought advice or treatment, within ~~((three))~~ six months  
15 before the effective date of coverage. The pool may not avoid the  
16 requirements of this section through the creation of a new rate  
17 classification or the modification of an existing rate classification.  
18 Credit against the waiting period shall be provided as required by RCW  
19 48.43.015.

20 **Sec. 13.** RCW 48.41.120 and 1989 c 121 s 8 are each amended to read  
21 as follows:

22 (1) Subject to the limitation provided in subsection (3) of this  
23 section, a pool policy offered in accordance with ~~((this chapter))~~ RCW  
24 48.41.110(3) shall impose a deductible. Deductibles of five hundred  
25 dollars and one thousand dollars on a per person per calendar year  
26 basis shall initially be offered. The board may authorize deductibles  
27 in other amounts. The deductible shall be applied to the first five  
28 hundred dollars, one thousand dollars, or other authorized amount of  
29 eligible expenses incurred by the covered person.

30 (2) Subject to the limitations provided in subsection (3) of this  
31 section, a mandatory coinsurance requirement shall be imposed at the  
32 rate of twenty percent of eligible expenses in excess of the mandatory  
33 deductible.

34 (3) The maximum aggregate out of pocket payments for eligible  
35 expenses by the insured in the form of deductibles and coinsurance  
36 under a pool policy offered in accordance with RCW 48.41.110(3) shall

1 (a) One thousand five hundred dollars per individual, or three  
2 thousand dollars per family, per calendar year for the five hundred  
3 dollar deductible policy;

4 (b) Two thousand five hundred dollars per individual, or five  
5 thousand dollars per family per calendar year for the one thousand  
6 dollar deductible policy; or

7 (c) An amount authorized by the board for any other deductible  
8 policy.

9 (4) Eligible expenses incurred by a covered person in the last  
10 three months of a calendar year, and applied toward a deductible, shall  
11 also be applied toward the deductible amount in the next calendar year.

12 **Sec. 14.** RCW 48.41.130 and 1997 c 231 s 215 are each amended to  
13 read as follows:

14 All policy forms issued by the pool shall conform in substance to  
15 prototype forms developed by the pool, and shall in all other respects  
16 conform to the requirements of this chapter, and shall be filed with  
17 and approved by the commissioner before they are issued. (~~The pool  
18 shall not issue a pool policy to any individual who, on the effective  
19 date of the coverage applied for, already has or would have coverage  
20 substantially equivalent to a pool policy as an insured or covered  
21 dependent, or who would be eligible for such coverage if he or she  
22 elected to obtain it at a lesser premium rate. However, coverage  
23 provided by the basic health plan, as established pursuant to chapter  
24 70.47 RCW, shall not be deemed substantially equivalent for the  
25 purposes of this section.~~)

26 NEW SECTION. **Sec. 15.** A new section is added to chapter 48.41 RCW  
27 to read as follows:

28 The board shall design and offer a care management plan of coverage  
29 with the following components:

30 (1) Services similar to those contained in RCW 48.41.110(3) shall  
31 be covered.

32 (2) Alternative payment methodologies for network providers that  
33 may include but are not limited to resource-based relative value fee  
34 schedules, capitation payments, diagnostic related group fee schedules,  
35 and other similar strategies including risk sharing arrangements.

36 (3) Enrollee cost-sharing that may include but not be limited to  
37 point-of-service cost-sharing for covered services and deductibles in

1 amounts to be determined by the board. The board shall include an  
2 annual maximum out-of-pocket payment protection in the plan.

3 (4) Other appropriate care management and cost containment measures  
4 determined appropriate by the board, including but not limited to, care  
5 coordination, provider network limitations, preadmission certification,  
6 and utilization review.

7 **Sec. 16.** RCW 48.41.140 and 1987 c 431 s 14 are each amended to  
8 read as follows:

9 (1) Coverage shall provide that health insurance benefits are  
10 applicable to children of the person in whose name the policy is issued  
11 including adopted and newly born natural children. Coverage shall also  
12 include necessary care and treatment of medically diagnosed congenital  
13 defects and birth abnormalities. If payment of a specific premium is  
14 required to provide coverage for the child, the policy may require that  
15 notification of the birth or adoption of a child and payment of the  
16 required premium must be furnished to the pool within thirty-one days  
17 after the date of birth or adoption in order to have the coverage  
18 continued beyond the thirty-one day period. For purposes of this  
19 subsection, a child is deemed to be adopted, and benefits are payable,  
20 when the child is physically placed for purposes of adoption under the  
21 laws of this state with the person in whose name the policy is issued;  
22 and, when the person in whose name the policy is issued assumes  
23 financial responsibility for the medical expenses of the child. For  
24 purposes of this subsection, "newly born" means, and benefits are  
25 payable, from the moment of birth.

26 (2) A pool policy shall provide that coverage of a dependent,  
27 unmarried person shall terminate when the person becomes nineteen years  
28 of age: PROVIDED, That coverage of such person shall not terminate at  
29 age nineteen while he or she is and continues to be both (a) incapable  
30 of self-sustaining employment by reason of developmental disability or  
31 physical handicap and (b) chiefly dependent upon the person in whose  
32 name the policy is issued for support and maintenance, provided proof  
33 of such incapacity and dependency is furnished to the pool by the  
34 policy holder within thirty-one days of the dependent's attainment of  
35 age nineteen and subsequently as may be required by the pool but not  
36 more frequently than annually after the two-year period following the  
37 dependent's attainment of age nineteen.

1       ~~((3) A pool policy may contain provisions under which coverage is~~  
2 ~~excluded during a period of six months following the effective date of~~  
3 ~~coverage as to a given covered individual for preexisting conditions,~~  
4 ~~as long as medical advice or treatment was recommended or received~~  
5 ~~within a period of six months before the effective date of coverage.~~

6       ~~These preexisting condition exclusions shall be waived to the~~  
7 ~~extent to which similar exclusions have been satisfied under any prior~~  
8 ~~health insurance which was for any reason other than nonpayment of~~  
9 ~~premium involuntarily terminated, if the application for pool coverage~~  
10 ~~is made not later than thirty days following the involuntary~~  
11 ~~termination. In that case, with payment of appropriate premium,~~  
12 ~~coverage in the pool shall be effective from the date on which the~~  
13 ~~prior coverage was terminated.))~~

14       **Sec. 17.** RCW 48.41.200 and 1997 c 231 s 214 are each amended to  
15 read as follows:

16       (1) The pool shall determine the standard risk rate by calculating  
17 the average ((group)) individual standard rate ((for groups comprised  
18 of up to fifty persons)) charged for coverage comparable to pool  
19 coverage by the five largest members, measured in terms of individual  
20 market enrollment, offering such coverages in the state ((comparable to  
21 the pool coverage)). In the event five members do not offer comparable  
22 coverage, the standard risk rate shall be established using reasonable  
23 actuarial techniques and shall reflect anticipated experience and  
24 expenses for such coverage in the individual market.

25       (2) Subject to subsection (3) of this section, maximum rates for  
26 pool coverage shall be ((one hundred fifty percent for the indemnity  
27 health plan and one hundred twenty-five percent for managed care plans  
28 of the rates established as applicable for group standard risks in  
29 groups comprised of up to fifty persons)) as follows:

30       (a) Maximum rates for a pool indemnity health plan shall be one  
31 hundred fifty percent of the rate calculated under subsection (1) of  
32 this section; and

33       (b) Maximum rates for a pool care management plan shall be one  
34 hundred twenty-five percent of the rate calculated under subsection (1)  
35 of this section.

36       (3)(a) Subject to (b) of this subsection the rate for any person  
37 who has been enrolled in the pool for more than thirty-six months shall  
38 be reduced by five percent from what it would otherwise be.

1       (b) In no event shall the rate for any person be less than the rate  
2 calculated under subsection (1) of this section.

3       **Sec. 18.** RCW 48.43.005 and 1997 c 231 s 202 and 1997 c 55 s 1 are  
4 each reenacted and amended to read as follows:

5       Unless otherwise specifically provided, the definitions in this  
6 section apply throughout this chapter.

7       (1) "Adjusted community rate" means the rating method used to  
8 establish the premium for health plans adjusted to reflect actuarially  
9 demonstrated differences in utilization or cost attributable to  
10 geographic region, age, family size, and use of wellness activities.

11       (2) "Basic health plan" means the plan described under chapter  
12 70.47 RCW, as revised from time to time.

13       (3) "Basic health plan model plan" means a health plan as required  
14 in RCW 70.47.060(2)(d).

15       (4) "Basic health plan services" means that schedule of covered  
16 health services, including the description of how those benefits are to  
17 be administered, that are required to be delivered to an enrollee under  
18 the basic health plan, as revised from time to time.

22 of eligible employees, companies that are affiliated companies, or that

11 NEW SECTION. **Sec. 19.** A new section is added to chapter 48.43 RCW  
12 to read as follows:

13 (1) No carrier may reject an individual for individual health plan  
14 coverage based upon preexisting conditions of the individual except as  
15 provided in section 21 of this act.

16 (2) No carrier may deny, exclude, or otherwise limit coverage for  
17 an individual's preexisting health conditions except as provided in  
18 this section.

19 (3) For individual coverage originally issued on or after the  
20 effective date of this section preexisting condition waiting periods  
21 imposed upon a person enrolling in individual coverage shall be no more  
22 restrictive than nine months for a preexisting condition for which  
23 medical advice was given, for which a health care provider recommended  
24 or provided treatment, or for which a prudent layperson would have  
25 sought advice or treatment, within six months prior to the effective  
26 date of coverage.

27 (4) Individual coverage preexisting condition exclusion waiting  
28 periods shall not apply to prenatal care services.

29 (5) No carrier may avoid the requirements of this section through  
30 the creation of a new rate classification or the modification of an  
31 existing rate classification. A new or changed rate classification  
32 will be deemed an attempt to avoid the provisions of this section if  
33 the new or changed classification would substantially discourage  
34 applications for coverage from individuals who are higher than average  
35 health risks. These provisions apply only to individuals who are  
36 Washington residents.

1       **Sec. 20.** RCW 48.43.015 and 1995 c 265 s 5 are each amended to read  
2 as follows:

3       (1) For health benefit plans offered to groups, every health  
4 carrier shall waive any preexisting condition exclusion or limitation  
5 for persons or groups who had similar health coverage under a different  
6 health plan at any time during the three-month period immediately  
7 preceding the date of application for the new health plan if such  
8 person was continuously covered under the immediately preceding health  
9 plan. If the person was continuously covered for at least ((three))  
10 nine months under the immediately preceding health plan, the carrier  
11 may not impose a waiting period for coverage of preexisting conditions.  
12 If the person was continuously covered for less than ((three)) nine  
13 months under the immediately preceding health plan, the carrier must  
14 credit any waiting period under the immediately preceding health plan  
15 toward the new health plan. For the purposes of this subsection, a  
16 preceding health plan includes an employer provided self-funded health  
17 plan.

18       (2) For health benefit plans offered to individuals, every health  
19 carrier shall credit any preexisting condition waiting period in its  
20 individual plans for a person who was enrolled at any time during the  
21 sixty-three day period immediately preceding the date of application  
22 for the new health plan in a group health benefit plan or an individual  
23 health benefit plan other than a catastrophic health plan, and the  
24 benefits under the previous plan provide equivalent or greater overall  
25 benefit coverage than that provided in the health benefit plan the  
26 individual seeks to purchase. The carrier must credit the period of  
27 coverage the person was continuously covered under the immediately  
28 preceding health plan toward the waiting period of the new health plan.  
29 For the purposes of this subsection, a preceding health plan includes  
30 an employer-provided self-funded health plan.

31       (3) Subject to the provisions of subsections (1) and (2) of this  
32 section, nothing contained in this section requires a health carrier to  
33 amend a health plan to provide new benefits in its existing health  
34 plans. In addition, nothing in this section requires a carrier to  
35 waive benefit limitations not related to an individual or group's  
36 preexisting conditions or health history.

37       NEW SECTION. **Sec. 21.** A new section is added to chapter 48.43 RCW  
38 to read as follows:

1 (1) Except as provided in (a) and (b) of this subsection, a health  
2 carrier may require any person applying for an individual health plan  
3 to complete the standard health questionnaire designated under chapter  
4 48.41 RCW.

5 (a) If a person is seeking individual coverage due to his or her  
6 change of residence from one geographic area in Washington state to  
7 another geographic area in Washington state where his or her current  
8 health coverage is not offered, completion of the standard health  
9 questionnaire shall not be a condition of coverage if application for  
10 coverage is made within ninety days of relocation.

11 (b) If a person is seeking individual coverage:

12 (i) Because a health care provider with whom he or she has an  
13 established care relationship and from whom he or she has received  
14 treatment within the past twelve months is no longer part of the  
15 carrier's provider network under his or her existing Washington  
16 individual coverage; and

17 (ii) His or her health care provider is part of another carrier's  
18 provider network; and

19 (iii) Application for coverage under that carrier's provider  
20 network individual coverage is made within ninety days of his or her  
21 provider leaving the previous carrier's provider network; then  
22 completion of the standard health questionnaire shall not be a  
23 condition of coverage.

24 (2) If, based upon the results of the standard health  
25 questionnaire, the person qualifies for coverage under the Washington  
26 state health insurance pool, the following shall apply:

27 (a) The carrier may decide not to accept the person's application  
28 for enrollment in its individual health plan; and

29 (b) Within fifteen business days of receipt of a completed  
30 application, the carrier shall provide written notice of the decision  
31 not to accept the person's application for enrollment to both the  
32 applicant and the administrator of the Washington state health  
33 insurance pool. The notice to the applicant shall state that the  
34 person is eligible for health insurance provided by the Washington  
35 state health insurance pool, and shall include information about the  
36 Washington state health insurance pool and an application for such  
37 coverage.

38 (3) If the person applying for individual coverage: (a) Does not  
39 qualify for coverage under the Washington state health insurance pool

1 based upon the results of the standard health questionnaire; (b) does  
2 qualify for coverage under the Washington state health insurance pool  
3 based upon the results of the standard health questionnaire and the  
4 carrier elects to accept the person for enrollment; or (c) is not  
5 required to complete the standard health questionnaire designated under  
6 this chapter under subsection (1)(a) or (b) of this section, the  
7 carrier shall accept the person for enrollment if he or she resides  
8 within the carrier's service area and provide or assure the provision  
9 of all covered services regardless of age, sex, family structure,  
10 ethnicity, race, health condition, geographic location, employment  
11 status, socioeconomic status, other condition or situation, or the  
12 provisions of RCW 49.60.174(2). The commissioner may grant a temporary  
13 exemption from this subsection if, upon application by a health  
14 carrier, the commissioner finds that the clinical, financial, or  
15 administrative capacity to serve existing enrollees will be impaired if  
16 a health carrier is required to continue enrollment of additional  
17 eligible individuals.

18 (4) Except as otherwise required by statute or rule, a carrier and  
19 the Washington state health insurance pool, and persons acting at the  
20 direction of or on behalf of a carrier or the pool, who are in receipt  
21 of an enrollee's or applicant's personally identifiable health  
22 information included in the standard health questionnaire shall not  
23 disclose the identifiable health information unless release of the  
24 information is explicitly authorized in writing by the person who is  
25 the subject of the information.

26 **Sec. 22.** RCW 48.43.025 and 1995 c 265 s 6 are each amended to read  
27 as follows:

28 (1) For group health benefit plans, no carrier may reject an  
29 individual for health plan coverage based upon preexisting conditions  
30 of the individual and no carrier may deny, exclude, or otherwise limit  
31 coverage for an individual's preexisting health conditions; except that  
32 a carrier may impose a (~~three-month~~) nine-month benefit waiting  
33 period for preexisting conditions for which medical advice was given,  
34 (~~or~~) for which a health care provider recommended or provided  
35 treatment, or for which a prudent layperson would have sought advice or  
36 treatment, within (~~three~~) six months before the effective date of  
37 coverage.

1 (2) No carrier may avoid the requirements of this section through  
2 the creation of a new rate classification or the modification of an  
3 existing rate classification. A new or changed rate classification  
4 will be deemed an attempt to avoid the provisions of this section if  
5 the new or changed classification would substantially discourage  
6 applications for coverage from individuals or groups who are higher  
7 than average health risks. These provisions apply only to individuals  
8 who are Washington residents.

9 **Sec. 23.** RCW 48.43.035 and 1995 c 265 s 7 are each amended to read  
10 as follows:

11 For group health benefit plans, the following shall apply:

12 (1) All health carriers shall accept for enrollment any state  
13 resident within the carrier's service area and provide or assure the  
14 provision of all covered services regardless of age, sex, family  
15 structure, ethnicity, race, health condition, geographic location,  
16 employment status, socioeconomic status, other condition or situation,  
17 or the provisions of RCW 49.60.174(2). The insurance commissioner may  
18 grant a temporary exemption from this subsection, if, upon application  
19 by a health carrier the commissioner finds that the clinical,  
20 financial, or administrative capacity to serve existing enrollees will  
21 be impaired if a health carrier is required to continue enrollment of  
22 additional eligible individuals.

23 (2) Except as provided in subsection (5) of this section, all  
24 health plans shall contain or incorporate by endorsement a guarantee of  
25 the continuity of coverage of the plan. For the purposes of this  
26 section, a plan is "renewed" when it is continued beyond the earliest  
27 date upon which, at the carrier's sole option, the plan could have been  
28 terminated for other than nonpayment of premium. In the case of group  
29 plans, the carrier may consider the group's anniversary date as the  
30 renewal date for purposes of complying with the provisions of this  
31 section.

32 (3) The guarantee of continuity of coverage required in health  
33 plans shall not prevent a carrier from canceling or nonrenewing a  
34 health plan for:

35 (a) Nonpayment of premium;

36 (b) Violation of published policies of the carrier approved by the  
37 insurance commissioner;

1 (c) Covered persons entitled to become eligible for medicare  
2 benefits by reason of age who fail to apply for a medicare supplement  
3 plan or medicare cost, risk, or other plan offered by the carrier  
4 pursuant to federal laws and regulations;

5 (d) Covered persons who fail to pay any deductible or copayment  
6 amount owed to the carrier and not the provider of health care  
7 services;

8 (e) Covered persons committing fraudulent acts as to the carrier;

9 (f) Covered persons who materially breach the health plan; or

10 (g) Change or implementation of federal or state laws that no  
11 longer permit the continued offering of such coverage.

12 (4) The provisions of this section do not apply in the following  
13 cases:

14 (a) A carrier has zero enrollment on a product; or

15 (b) A carrier replaces a product and the replacement product is  
16 provided to all covered persons within that class or line of business,  
17 includes all of the services covered under the replaced product, and  
18 does not significantly limit access to the kind of services covered  
19 under the replaced product. The health plan may also allow  
20 unrestricted conversion to a fully comparable product; or

21 (c) A carrier is withdrawing from a service area or from a segment  
22 of its service area because the carrier has demonstrated to the  
23 insurance commissioner that the carrier's clinical, financial, or  
24 administrative capacity to serve enrollees would be exceeded.

25 (5) The provisions of this section do not apply to health plans  
26 deemed by the insurance commissioner to be unique or limited or have a  
27 short-term purpose, after a written request for such classification by  
28 the carrier and subsequent written approval by the insurance  
29 commissioner.

30 NEW SECTION. Sec. 24. A new section is added to chapter 48.43 RCW  
31 to read as follows:

32 (1) Except as provided in subsection (4) of this section, all  
33 individual health plans shall contain or incorporate by endorsement a  
34 guarantee of the continuity of coverage of the plan. For the purposes  
35 of this section, a plan is "renewed" when it is continued beyond the  
36 earliest date upon which, at the carrier's sole option, the plan could  
37 have been terminated for other than nonpayment of premium.

1 (2) The guarantee of continuity of coverage required in individual  
2 health plans shall not prevent a carrier from canceling or nonrenewing  
3 a health plan for:

4 (a) Nonpayment of premium;

5 (b) Violation of published policies of the carrier approved by the  
6 commissioner;

7 (c) Covered persons entitled to become eligible for medicare  
8 benefits by reason of age who fail to apply for a medicare supplement  
9 plan or medicare cost, risk, or other plan offered by the carrier  
10 pursuant to federal laws and regulations;

11 (d) Covered persons who fail to pay any deductible or copayment  
12 amount owed to the carrier and not the provider of health care  
13 services;

14 (e) Covered persons committing fraudulent acts as to the carrier;

15 (f) Covered persons who materially breach the health plan; or

16 (g) Change or implementation of federal or state laws that no  
17 longer permit the continued offering of such coverage.

18 (3) This section does not apply in the following cases:

19 (a) A carrier has zero enrollment on a product;

20 (b) A carrier is withdrawing from a service area or from a segment  
21 of its service area because the carrier has demonstrated to the  
22 commissioner that the carrier's clinical, financial, or administrative  
23 capacity to serve enrollees would be exceeded;

24 (c) A carrier discontinues offering a particular type of health  
25 benefit plan offered in the individual market if: (i) The carrier  
26 provides notice to each covered individual provided coverage of this  
27 type of such discontinuation at least ninety days prior to the date of  
28 the discontinuation; (ii) the carrier offers to each individual  
29 provided coverage of this type the option, without being subject to the  
30 standard health questionnaire, to enroll in any other individual health  
31 benefit plan currently being offered by the carrier; and (iii) in  
32 exercising the option to discontinue coverage of this type and in  
33 offering the option of coverage under (c)(ii) of this subsection, the  
34 carrier acts uniformly without regard to any health status-related  
35 factor of enrolled individuals or individuals who may become eligible  
36 for such coverage; or

10 coverage in this state for a five-year period beginning on the date of  
11 the discontinuation of the last health plan not so renewed. Nothing in  
12 this subsection (3) shall be construed to require a carrier to provide  
13 notice to the commissioner of its intent to discontinue offering a  
14 health benefit plan to new applicants where the carrier does not  
15 discontinue coverage of existing enrollees under that health benefit  
16 plan.

17 (4) The provisions of this section do not apply to health plans  
18 deemed by the commissioner to be unique or limited or have a short-term  
19 purpose, after a written request for such classification by the carrier  
20 and subsequent written approval by the commissioner.

7 as follows:

8        (1) Any health care service contractor may enter into contracts  
9 with or for the benefit of persons or groups of persons which require  
10 prepayment for health care services by or for such persons in  
11 consideration of such health care service contractor providing one or  
12 more health care services to such persons and such activity shall not  
13 be subject to the laws relating to insurance if the health care  
14 services are rendered by the health care service contractor or by a  
15 participating provider.

16        (2) The commissioner may on examination, subject to the right of  
17 the health care service contractor to demand and receive a hearing  
18 under chapters 48.04 and 34.05 RCW, disapprove any individual or group  
19 contract form for any of the following grounds:

21 ambiguous or misleading clauses, or exceptions and conditions which  
22 unreasonably or deceptively affect the risk purported to be assumed in  
23 the general coverage of the contract; or

24        (b) If it has any title, heading, or other indication of its  
25 provisions which is misleading; or

26        (c) If purchase of health care services thereunder is being

3 (3) In addition to the grounds listed in subsection (2) of this  
4 section, the commissioner may disapprove any group contract if the  
5 benefits provided therein are unreasonable in relation to the amount  
6 charged for the contract.

7 (4)(a) Every contract between a health care service contractor and  
8 a participating provider of health care services shall be in writing

11 enrolled participant shall not be liable to the provider for sums owed  
12 by the health care service contractor. Every such contract shall  
13 provide that this requirement shall survive termination of the  
14 contract.

15 (b) No participating provider, agent, trustee, or assignee may  
16 maintain any action against an enrolled participant to collect sums  
17 owed by the health care service contractor.

18 NEW SECTION. Sec. 28. A new section is added to chapter 48.44 RCW  
19 to read as follows:

20 (1) The definitions in this subsection apply throughout this  
21 section unless the context clearly requires otherwise.

22 (a) "Claims" means the cost to the health care service contractor

14 contracts with the commissioner prior to use.

15 (3) A health care service contractor shall file with the notice  
16 required under subsection (2) of this section supporting documentation  
17 of its method of determining the rates charged. The commissioner may  
18 request only the following supporting documentation:

19 (a) A description of the health care service contractor's rate-  
20 making methodology;

21 (b) An actuarially determined estimate of incurred claims which  
22 includes the experience data, assumptions, and justifications of the

29 adjusted community rate charged can be reasonably expected to result in  
30 a loss ratio that meets or exceeds the loss ratio standard established  
31 in subsection (7) of this section.

32 (4) The commissioner may not disapprove or otherwise impede the  
33 implementation of the filed rates.

38 in this state in aggregate for the preceding calendar year. The filing  
39 shall include a certification by a member of the American academy of

1 actuaries, or other person acceptable to the commissioner, that the  
2 actual loss ratio has been calculated in accordance with accepted  
3 actuarial principles.

4 (a) At the expiration of a thirty-day period commencing with the  
5 date the filing is delivered to the commissioner, the filing shall be  
6 deemed approved unless prior thereto the commissioner contests the  
7 calculation of the actual loss ratio.

8 (b) If the commissioner contests the calculation of the actual loss  
9 ratio, the commissioner shall state in writing the grounds for  
10 contesting the calculation to the health care service contractor.

11 (c) Any dispute regarding the calculation of the actual loss ratio  
12 shall upon written demand of either the commissioner or the health care  
13 service contractor be submitted to hearing under chapters 48.04 and  
14 34.05 RCW.

15 (6) If the actual loss ratio for the preceding calendar year is  
16 less than the loss ratio standard established in subsection (7) of this  
17 section, refunds are due and the following shall apply:

18 (a) The health care service contractor shall calculate a percentage  
19 of premium to be remitted to the Washington state health insurance pool  
20 by subtracting the actual loss ratio for the preceding year from the  
21 loss ratio established in subsection (7) of this section.

22 (b) The remittance to the Washington state health insurance pool is  
23 the percentage calculated in (a) of this subsection, multiplied by the  
24 premium earned from each enrollee in the previous calendar year.  
25 Interest shall be added to the remittance due at a five percent annual  
26 rate calculated from the end of the calendar year for which remittances  
27 are due to the date the remittances are made.

28 (c) All remittances shall be aggregated and such amounts shall be  
29 remitted to the Washington state high risk pool to be used as directed  
30 by the pool board of directors.

31 (d) Any remittance required to be issued under this section shall  
32 be issued within thirty days after the actual loss ratio is deemed  
33 approved under subsection (5)(a) of this section or the determination  
34 by an administrative law judge under subsection (5)(c) of this section.

35 (7) The loss ratio applicable to this section shall be seventy-four  
36 percent minus the premium tax rate applicable to the health care  
37 service contractor's individual health benefit plans under RCW  
38 48.14.0201.

1       **Sec. 29.** RCW 48.44.022 and 1997 c 231 s 208 are each amended to  
2 read as follows:

3       ~~(1)((a) A health care service contractor offering any health~~  
4 ~~benefit plan to any individual shall offer and actively market to all~~  
5 ~~individuals a health benefit plan providing benefits identical to the~~

7 ~~to an individual enrolled in the basic health plan, subject to the~~  
8 ~~provisions in RCW 48.43.025 and 48.43.035. Nothing in this subsection~~  
9 ~~shall preclude a contractor from offering, or an individual from~~  
10 ~~purchasing, other health benefit plans that may have more or less~~  
11 ~~comprehensive benefits than the basic health plan, provided such plans~~  
12 ~~are in accordance with this chapter. A contractor offering a health~~

14 ~~health plan shall clearly disclose these differences to the individual~~  
15 ~~in a brochure approved by the commissioner.~~

16       ~~(b) A health benefit plan shall provide coverage for hospital~~

20 ~~48.44.320, 48.44.325, 48.44.330, 48.44.335, 48.44.340, 48.44.344,~~  
21 ~~48.44.360, 48.44.400, 48.44.440, 48.44.450, and 48.44.460 if the health~~

23 ~~that provides benefits identical to the basic health plan, to the~~  
24 ~~extent these requirements differ from the basic health plan.~~

25       ~~(2))~~ Premium rates for health benefit plans for individuals shall  
26 be subject to the following provisions:

27       (a) The health care service contractor shall develop its rates  
28 based on an adjusted community rate and may only vary the adjusted  
29 community rate for:

- 30       (i) Geographic area;  
31       (ii) Family size;  
32       (iii) Age;  
33       (iv) Tenure discounts; and  
34       (v) Wellness activities.

35       (b) The adjustment for age in (a)(iii) of this subsection may not  
36 use age brackets smaller than five-year increments which shall begin  
37 with age twenty and end with age sixty-five. Individuals under the age  
38 of twenty shall be treated as those age twenty.

1 (c) The health care service contractor shall be permitted to  
2 develop separate rates for individuals age sixty-five or older for  
3 coverage for which medicare is the primary payer and coverage for which  
4 medicare is not the primary payer. Both rates shall be subject to the  
5 requirements of this subsection.

6 (d) The permitted rates for any age group shall be no more than  
7 four hundred twenty-five percent of the lowest rate for all age groups  
8 on January 1, 1996, four hundred percent on January 1, 1997, and three  
9 hundred seventy-five percent on January 1, 2000, and thereafter.

10 (e) A discount for wellness activities shall be permitted to  
11 reflect actuarially justified differences in utilization or cost  
12 attributed to such programs not to exceed twenty percent.

13 (f) The rate charged for a health benefit plan offered under this  
14 section may not be adjusted more frequently than annually except that  
15 the premium may be changed to reflect:

16 (i) Changes to the family composition;

17 (ii) Changes to the health benefit plan requested by the  
18 individual; or

19 (iii) Changes in government requirements affecting the health  
20 benefit plan.

21 (g) For the purposes of this section, a health benefit plan that  
22 contains a restricted network provision shall not be considered similar  
23 coverage to a health benefit plan that does not contain such a  
24 provision, provided that the restrictions of benefits to network  
25 providers result in substantial differences in claims costs. This  
26 subsection does not restrict or enhance the portability of benefits as  
27 provided in RCW 48.43.015.

28 (h) A tenure discount for continuous enrollment in the health plan  
29 of two years or more may be offered, not to exceed ten percent.

30 ~~((+3))~~ (2) Adjusted community rates established under this section  
31 shall pool the medical experience of all individuals purchasing  
32 coverage, and shall not be required to be pooled with the medical  
33 experience of health benefit plans offered to small employers under RCW  
34 48.44.023.

35 ~~((+4))~~ (3) As used in this section and RCW 48.44.023 "health  
36 benefit plan," "small employer," ~~((("basic health plan,"))~~ "adjusted  
37 community rates," and "wellness activities" mean the same as defined in  
38 RCW 48.43.005.

2 as follows:

3       (1) Any health maintenance organization may enter into agreements  
4 with or for the benefit of persons or groups of persons, which require  
5 prepayment for health care services by or for such persons in  
6 consideration of the health maintenance organization providing health  
7 care services to such persons. Such activity is not subject to the  
8 laws relating to insurance if the health care services are rendered  
9 directly by the health maintenance organization or by any provider  
10 which has a contract or other arrangement with the health maintenance  
11 organization to render health services to enrolled participants.

12       (2) All forms of health maintenance agreements issued by the  
13 organization to enrolled participants or other marketing documents  
14 purporting to describe the organization's comprehensive health care  
15 services shall comply with such minimum standards as the commissioner  
16 deems reasonable and necessary in order to carry out the purposes and  
17 provisions of this chapter, and which fully inform enrolled  
18 participants of the health care services to which they are entitled,  
19 including any limitations or exclusions thereof, and such other rights,  
20 responsibilities and duties required of the contracting health  
21 maintenance organization.

22       (3) Subject to the right of the health maintenance organization to  
23 demand and receive a hearing under chapters 48.04 and 34.05 RCW, the  
24 commissioner may disapprove an individual or group agreement form for  
25 any of the following grounds:

26       (a) If it contains or incorporates by reference any inconsistent,  
27 ambiguous, or misleading clauses, or exceptions or conditions which  
28 unreasonably or deceptively affect the risk purported to be assumed in  
29 the general coverage of the agreement;

30       (b) If it has any title, heading, or other indication which is  
31 misleading;

32       (c) If purchase of health care services thereunder is being  
33 solicited by deceptive advertising;

34       (d) ~~((If the benefits provided therein are unreasonable in relation  
35 to the amount charged for the agreement;~~

36       ~~(e))~~ If it contains unreasonable restrictions on the treatment of  
37 patients;

1       (~~(f)~~) (e) If it is in any respect in violation of this chapter or  
2 if it fails to conform to minimum provisions or standards required by  
3 the commissioner by rule under chapter 34.05 RCW; or

4       (~~(g)~~) (f) If any agreement for health care services with any  
5 state agency, division, subdivision, board, or commission or with any  
6 political subdivision, municipal corporation, or quasi-municipal  
7 corporation fails to comply with state law.

8       (4) In addition to the grounds listed in subsection (2) of this  
9 section, the commissioner may disapprove any group agreement if the  
10 benefits provided therein are unreasonable in relation to the amount  
11 charged for the agreement.

12       (5) No health maintenance organization authorized under this  
13 chapter shall cancel or fail to renew the enrollment on any basis of an  
14 enrolled participant or refuse to transfer an enrolled participant from  
15 a group to an individual basis for reasons relating solely to age, sex,  
16 race, or health status(~~(:—PROVIDED HOWEVER, That)~~). Nothing contained  
17 herein shall prevent cancellation of an agreement with enrolled  
18 participants (a) who violate any published policies of the organization  
19 which have been approved by the commissioner, or (b) who are entitled  
20 to become eligible for medicare benefits and fail to enroll for a  
21 medicare supplement plan offered by the health maintenance organization  
22 and approved by the commissioner, or (c) for failure of such enrolled  
23 participant to pay the approved charge, including cost-sharing,  
24 required under such contract, or (d) for a material breach of the  
25 health maintenance agreement.

26       (~~(5)~~) (6) No agreement form or amendment to an approved agreement  
27 form shall be used unless it is first filed with the commissioner.

28       NEW SECTION. Sec. 31. A new section is added to chapter 48.46 RCW  
29 to read as follows:

30       (1) The definitions in this subsection apply throughout this

18 applicable period.

19 (g) "Reserves" means: (i) Active life reserves; and (ii)  
20 additional reserves whether for a specific liability purpose or not.

23 agreements with the commissioner prior to use.

24 (3) A health maintenance organization shall file with the notice  
25 required under subsection (2) of this section supporting documentation  
26 of its method of determining the rates charged. The commissioner may  
27 request only the following supporting documentation:

38 adjusted community rate charged can be reasonably expected to result in

1 a loss ratio that meets or exceeds the loss ratio standard established  
2 in subsection (7) of this section.

3 (4) The commissioner may not disapprove or otherwise impede the  
4 implementation of the filed rates.

5 (5) By the last day of May each year any health maintenance  
6 organization providing individual health benefit plans in this state

9 in the state in aggregate for the preceding calendar year. The filing  
10 shall include a certification by a member of the American academy of  
11 actuaries, or other person acceptable to the commissioner, that the

13 actuarial principles.

14 (a) At the expiration of a thirty-day period commencing with the

18 (b) If the commissioner contests the calculation of the actual loss  
19 ratio, the commissioner shall state in writing the grounds for  
20 contesting the calculation to the health maintenance organization.

21 (c) Any dispute regarding the calculation of the actual loss ratio  
22 shall, upon written demand of either the commissioner or the health  
23 maintenance organization, be submitted to hearing under chapters 48.04

25 (6) If the actual loss ratio for the preceding calendar year is  
26 less than the loss ratio standard established in subsection (7) of this  
27 section, refunds are due and the following shall apply:

28 (a) The health maintenance organization shall calculate a  
29 percentage of premium to be remitted to the Washington state health  
30 insurance pool by subtracting the actual loss ratio for the preceding  
31 year from the loss ratio established in subsection (7) of this section.

32 (b) The remittance to the Washington state health insurance pool is  
33 the percentage calculated in (a) of this subsection, multiplied by the  
34 premium earned from each enrollee in the previous calendar year.

36 rate calculated from the end of the calendar year for which remittances  
37 are due to the date the remittances are made.

1 (c) All remittances shall be aggregated and such amounts shall be  
2 remitted to the Washington state high risk pool to be used as directed  
3 by the pool board of directors.

4 (d) Any remittance required to be issued under this section shall  
5 be issued within thirty days after the actual loss ratio is deemed  
6 approved under subsection (5)(a) of this section or the determination  
7 by an administrative law judge under subsection (5)(c) of this section.

11 **Sec. 32.** RCW 48.46.064 and 1997 c 231 s 209 are each amended to  
12 read as follows:

13 ~~(1)((a) A health maintenance organization offering any health  
14 benefit plan to any individual shall offer and actively market to all  
15 individuals a health benefit plan providing benefits identical to the  
16 schedule of covered health benefits that are required to be delivered  
17 to an individual enrolled in the basic health plan, subject to the  
18 provisions in RCW 48.43.025 and 48.43.035. Nothing in this subsection  
19 shall preclude a health maintenance organization from offering, or an  
20 individual from purchasing, other health benefit plans that may have  
21 more or less comprehensive benefits than the basic health plan,  
22 provided such plans are in accordance with this chapter. A health  
23 maintenance organization offering a health benefit plan that does not  
24 include benefits provided in the basic health plan shall clearly  
25 disclose these differences to the individual in a brochure approved by  
26 the commissioner.~~

27 ~~(b) A health benefit plan shall provide coverage for hospital  
28 expenses and services rendered by a physician licensed under chapter  
29 18.57 or 18.71 RCW but is not subject to the requirements of RCW  
30 48.46.275, 48.46.280, 48.46.285, 48.46.290, 48.46.350, 48.46.355,  
31 48.46.375, 48.46.440, 48.46.480, 48.46.510, 48.46.520, and 48.46.530 if  
32 the health benefit plan is the mandatory offering under (a) of this  
33 subsection that provides benefits identical to the basic health plan,  
34 to the extent these requirements differ from the basic health plan.~~

35 ~~(2))~~ Premium rates for health benefit plans for individuals shall  
36 be subject to the following provisions:

1 (a) The health maintenance organization shall develop its rates  
2 based on an adjusted community rate and may only vary the adjusted  
3 community rate for:

- 4 (i) Geographic area;
- 5 (ii) Family size;
- 6 (iii) Age;
- 7 (iv) Tenure discounts; and
- 8 (v) Wellness activities.

9 (b) The adjustment for age in (a)(iii) of this subsection may not  
10 use age brackets smaller than five-year increments which shall begin  
11 with age twenty and end with age sixty-five. Individuals under the age  
12 of twenty shall be treated as those age twenty.

13 (c) The health maintenance organization shall be permitted to  
14 develop separate rates for individuals age sixty-five or older for  
15 coverage for which medicare is the primary payer and coverage for which  
16 medicare is not the primary payer. Both rates shall be subject to the  
17 requirements of this subsection.

18 (d) The permitted rates for any age group shall be no more than  
19 four hundred twenty-five percent of the lowest rate for all age groups  
20 on January 1, 1996, four hundred percent on January 1, 1997, and three  
21 hundred seventy-five percent on January 1, 2000, and thereafter.

22 (e) A discount for wellness activities shall be permitted to  
23 reflect actuarially justified differences in utilization or cost  
24 attributed to such programs not to exceed twenty percent.

25 (f) The rate charged for a health benefit plan offered under this  
26 section may not be adjusted more frequently than annually except that  
27 the premium may be changed to reflect:

- 28 (i) Changes to the family composition;
- 29 (ii) Changes to the health benefit plan requested by the  
30 individual; or
- 31 (iii) Changes in government requirements affecting the health  
32 benefit plan.

33 (g) For the purposes of this section, a health benefit plan that  
34 contains a restricted network provision shall not be considered similar  
35 coverage to a health benefit plan that does not contain such a  
36 provision, provided that the restrictions of benefits to network  
37 providers result in substantial differences in claims costs. This  
38 subsection does not restrict or enhance the portability of benefits as  
39 provided in RCW 48.43.015.

1 (h) A tenure discount for continuous enrollment in the health plan  
2 of two years or more may be offered, not to exceed ten percent.

3 ((+3)) (2) Adjusted community rates established under this section  
4 shall pool the medical experience of all individuals purchasing  
5 coverage, and shall not be required to be pooled with the medical  
6 experience of health benefit plans offered to small employers under RCW  
7 48.46.066.

8 ((+4)) (3) As used in this section and RCW 48.46.066, "health  
9 benefit plan," (~~("basic health plan,"~~) "adjusted community rate,"  
10 "small employer," and "wellness activities" mean the same as defined in  
11 RCW 48.43.005.

12 **Sec. 33.** RCW 70.47.060 and 1998 c 314 s 17 and 1998 c 148 s 1 are  
13 each reenacted and amended to read as follows:

14 The administrator has the following powers and duties:

15 (1) To design and from time to time revise a schedule of covered  
16 basic health care services, including physician services, inpatient and  
17 outpatient hospital services, prescription drugs and medications, and  
18 other services that may be necessary for basic health care. In  
19 addition, the administrator may, to the extent that funds are  
20 available, offer as basic health plan services chemical dependency  
21 services, mental health services and organ transplant services;  
22 however, no one service or any combination of these three services  
23 shall increase the actuarial value of the basic health plan benefits by  
24 more than five percent excluding inflation, as determined by the office  
25 of financial management. All subsidized and nonsubsidized enrollees in  
26 any participating managed health care system under the Washington basic  
27 health plan shall be entitled to receive covered basic health care  
28 services in return for premium payments to the plan. The schedule of  
29 services shall emphasize proven preventive and primary health care and  
30 shall include all services necessary for prenatal, postnatal, and well-  
31 child care. However, with respect to coverage for groups of subsidized  
32 enrollees who are eligible to receive prenatal and postnatal services  
33 through the medical assistance program under chapter 74.09 RCW, the  
34 administrator shall not contract for such services except to the extent  
35 that such services are necessary over not more than a one-month period  
36 in order to maintain continuity of care after diagnosis of pregnancy by  
37 the managed care provider. The schedule of services shall also include  
38 a separate schedule of basic health care services for children,

1 eight years of age and younger, for those subsidized or  
2 nonsubsidized enrollees who choose to secure basic coverage through the  
3 plan only for their dependent children. In designing and revising the  
4 schedule of services, the administrator shall consider the guidelines  
5 for assessing health services under the mandated benefits act of 1984,  
6 RCW 48.47.030, and such other factors as the administrator deems  
7 appropriate.

8 However, with respect to coverage for subsidized enrollees who are  
9 eligible to receive prenatal and postnatal services through the medical  
10 assistance program under chapter 74.09 RCW, the administrator shall not  
11 contract for such services except to the extent that the services are  
12 necessary over not more than a one-month period in order to maintain  
13 continuity of care after diagnosis of pregnancy by the managed care  
14 provider.

15 (2)(a) To design and implement a structure of periodic premiums due  
16 the administrator from subsidized enrollees that is based upon gross  
17 family income, giving appropriate consideration to family size and the  
18 ages of all family members. The enrollment of children shall not  
19 require the enrollment of their parent or parents who are eligible for  
20 the plan. The structure of periodic premiums shall be applied to  
21 subsidized enrollees entering the plan as individuals pursuant to  
22 subsection (9) of this section and to the share of the cost of the plan  
23 due from subsidized enrollees entering the plan as employees pursuant  
24 to subsection (10) of this section.

25 (b) To determine the periodic premiums due the administrator from  
26 nonsubsidized enrollees. Premiums due from nonsubsidized enrollees  
27 shall be in an amount equal to the cost charged by the managed health  
28 care system provider to the state for the plan plus the administrative  
29 cost of providing the plan to those enrollees and the premium tax under  
30 RCW 48.14.0201.

31 (c) An employer or other financial sponsor may, with the prior  
32 approval of the administrator, pay the premium, rate, or any other  
33 amount on behalf of a subsidized or nonsubsidized enrollee, by  
34 arrangement with the enrollee and through a mechanism acceptable to the  
35 administrator.

36 (d) To develop, as an offering by every health carrier providing  
37 coverage identical to the basic health plan, as configured on January  
38 1, 1996, a basic health plan model plan with uniformity in enrollee  
39 cost-sharing requirements.

1 (3) To design and implement a structure of enrollee cost sharing  
2 due a managed health care system from subsidized and nonsubsidized  
3 enrollees. The structure shall discourage inappropriate enrollee  
4 utilization of health care services, and may utilize copayments,  
5 deductibles, and other cost-sharing mechanisms, but shall not be so  
6 costly to enrollees as to constitute a barrier to appropriate  
7 utilization of necessary health care services.

8 (4) To limit enrollment of persons who qualify for subsidies so as  
9 to prevent an overexpenditure of appropriations for such purposes.  
10 Whenever the administrator finds that there is danger of such an  
11 overexpenditure, the administrator shall close enrollment until the  
12 administrator finds the danger no longer exists.

13 (5) To limit the payment of subsidies to subsidized enrollees, as  
14 defined in RCW 70.47.020. The level of subsidy provided to persons who  
15 qualify may be based on the lowest cost plans, as defined by the  
16 administrator.

17 (6) To adopt a schedule for the orderly development of the delivery  
18 of services and availability of the plan to residents of the state,  
19 subject to the limitations contained in RCW 70.47.080 or any act  
20 appropriating funds for the plan.

21 (7) To solicit and accept applications from managed health care  
22 systems, as defined in this chapter, for inclusion as eligible basic  
23 health care providers under the plan for either subsidized enrollees,  
24 or nonsubsidized enrollees, or both. The administrator shall endeavor  
25 to assure that covered basic health care services are available to any  
26 enrollee of the plan from among a selection of two or more  
27 participating managed health care systems. In adopting any rules or  
28 procedures applicable to managed health care systems and in its  
29 dealings with such systems, the administrator shall consider and make  
30 suitable allowance for the need for health care services and the  
31 differences in local availability of health care resources, along with  
32 other resources, within and among the several areas of the state.  
33 Contracts with participating managed health care systems shall ensure  
34 that basic health plan enrollees who become eligible for medical  
35 assistance may, at their option, continue to receive services from  
36 their existing providers within the managed health care system if such  
37 providers have entered into provider agreements with the department of  
38 social and health services.

1 (8) To receive periodic premiums from or on behalf of subsidized  
2 and nonsubsidized enrollees, deposit them in the basic health plan  
3 operating account, keep records of enrollee status, and authorize  
4 periodic payments to managed health care systems on the basis of the  
5 number of enrollees participating in the respective managed health care  
6 systems.

7 (9) To accept applications from individuals residing in areas  
8 served by the plan, on behalf of themselves and their spouses and  
9 dependent children, for enrollment in the Washington basic health plan  
10 as subsidized or nonsubsidized enrollees, to establish appropriate  
11 minimum-enrollment periods for enrollees as may be necessary, and to  
12 determine, upon application and on a reasonable schedule defined by the  
13 authority, or at the request of any enrollee, eligibility due to  
14 current gross family income for sliding scale premiums. Funds received  
15 by a family as part of participation in the adoption support program  
16 authorized under RCW 26.33.320 and 74.13.100 through 74.13.145 shall  
17 not be counted toward a family's current gross family income for the  
18 purposes of this chapter. When an enrollee fails to report income or  
19 income changes accurately, the administrator shall have the authority  
20 either to bill the enrollee for the amounts overpaid by the state or to  
21 impose civil penalties of up to two hundred percent of the amount of  
22 subsidy overpaid due to the enrollee incorrectly reporting income. The  
23 administrator shall adopt rules to define the appropriate application  
24 of these sanctions and the processes to implement the sanctions  
25 provided in this subsection, within available resources. No subsidy  
26 may be paid with respect to any enrollee whose current gross family  
27 income exceeds twice the federal poverty level or, subject to RCW  
28 70.47.110, who is a recipient of medical assistance or medical care  
29 services under chapter 74.09 RCW. If a number of enrollees drop their  
30 enrollment for no apparent good cause, the administrator may establish  
31 appropriate rules or requirements that are applicable to such  
32 individuals before they will be allowed to reenroll in the plan.

33 (10) To accept applications from business owners on behalf of  
34 themselves and their employees, spouses, and dependent children, as  
35 subsidized or nonsubsidized enrollees, who reside in an area served by  
36 the plan. The administrator may require all or the substantial  
37 majority of the eligible employees of such businesses to enroll in the  
38 plan and establish those procedures necessary to facilitate the orderly  
39 enrollment of groups in the plan and into a managed health care system.

1 The administrator may require that a business owner pay at least an  
2 amount equal to what the employee pays after the state pays its portion  
3 of the subsidized premium cost of the plan on behalf of each employee  
4 enrolled in the plan. Enrollment is limited to those not eligible for  
5 medicare who wish to enroll in the plan and choose to obtain the basic  
6 health care coverage and services from a managed care system  
7 participating in the plan. The administrator shall adjust the amount  
8 determined to be due on behalf of or from all such enrollees whenever  
9 the amount negotiated by the administrator with the participating  
10 managed health care system or systems is modified or the administrative  
11 cost of providing the plan to such enrollees changes.

12 (11) To determine the rate to be paid to each participating managed  
13 health care system in return for the provision of covered basic health  
14 care services to enrollees in the system. Although the schedule of  
15 covered basic health care services will be the same or actuarially  
16 equivalent for similar enrollees, the rates negotiated with  
17 participating managed health care systems may vary among the systems.  
18 In negotiating rates with participating systems, the administrator  
19 shall consider the characteristics of the populations served by the  
20 respective systems, economic circumstances of the local area, the need  
21 to conserve the resources of the basic health plan trust account, and  
22 other factors the administrator finds relevant.

23 (12) To monitor the provision of covered services to enrollees by  
24 participating managed health care systems in order to assure enrollee  
25 access to good quality basic health care, to require periodic data  
26 reports concerning the utilization of health care services rendered to  
27 enrollees in order to provide adequate information for evaluation, and  
28 to inspect the books and records of participating managed health care  
29 systems to assure compliance with the purposes of this chapter. In  
30 requiring reports from participating managed health care systems,  
31 including data on services rendered enrollees, the administrator shall  
32 endeavor to minimize costs, both to the managed health care systems and  
33 to the plan. The administrator shall coordinate any such reporting  
34 requirements with other state agencies, such as the insurance  
35 commissioner and the department of health, to minimize duplication of  
36 effort.

37 (13) To evaluate the effects this chapter has on private employer-  
38 based health care coverage and to take appropriate measures consistent

1 with state and federal statutes that will discourage the reduction of  
2 such coverage in the state.

3 (14) To develop a program of proven preventive health measures and  
4 to integrate it into the plan wherever possible and consistent with  
5 this chapter.

6 (15) To provide, consistent with available funding, assistance for  
7 rural residents, underserved populations, and persons of color.

8 (16) In consultation with appropriate state and local government  
9 agencies, to establish criteria defining eligibility for persons  
10 confined or residing in government-operated institutions.

11 **Sec. 34.** RCW 70.47.100 and 1987 1st ex.s. c 5 s 12 are each  
12 amended to read as follows:

13 (1) A managed health care (~~systems~~) system participating in the  
14 plan shall do so by contract with the administrator and shall provide,  
15 directly or by contract with other health care providers, covered basic  
16 health care services to each enrollee covered by its contract with the  
17 administrator as long as payments from the administrator on behalf of  
18 the enrollee are current. A participating managed health care system  
19 may offer, without additional cost, health care benefits or services  
20 not included in the schedule of covered services under the plan. A  
21 participating managed health care system shall not give preference in  
22 enrollment to enrollees who accept such additional health care benefits  
23 or services. Managed health care systems participating in the plan  
24 shall not discriminate against any potential or current enrollee based  
25 upon health status, sex, race, ethnicity, or religion. The  
26 administrator may receive and act upon complaints from enrollees  
27 regarding failure to provide covered services or efforts to obtain  
28 payment, other than authorized copayments, for covered services  
29 directly from enrollees, but nothing in this chapter empowers the  
30 administrator to impose any sanctions under Title 18 RCW or any other  
31 professional or facility licensing statute.

32 (2) The plan shall allow, at least annually, an opportunity for  
33 enrollees to transfer their enrollments among participating managed  
34 health care systems serving their respective areas. The administrator  
35 shall establish a period of at least twenty days in a given year when  
36 this opportunity is afforded enrollees, and in those areas served by  
37 more than one participating managed health care system the  
38 administrator shall endeavor to establish a uniform period for such

1 opportunity. The plan shall allow enrollees to transfer their  
2 enrollment to another participating managed health care system at any  
3 time upon a showing of good cause for the transfer.

4 ~~((Any contract between a hospital and a participating managed  
5 health care system under this chapter is subject to the requirements of  
6 RCW 70.39.140(1) regarding negotiated rates.))~~

7 (3) Prior to negotiating with any managed health care system, the  
8 administrator shall determine, on an actuarially sound basis, the  
9 reasonable cost of providing the schedule of basic health care  
10 services, expressed in terms of upper and lower limits, and recognizing  
11 variations in the cost of providing the services through the various  
12 systems and in different areas of the state.

13 (4) In negotiating with managed health care systems for  
14 participation in the plan, the administrator shall adopt a uniform  
15 procedure that includes at least the following:

16 ~~((1))~~ (a) The administrator shall issue a request for proposals,  
17 including standards regarding the quality of services to be provided;  
18 financial integrity of the responding systems; and responsiveness to  
19 the unmet health care needs of the local communities or populations  
20 that may be served;

21 ~~((2))~~ (b) The administrator shall then review responsive  
22 proposals and may negotiate with respondents to the extent necessary to  
23 refine any proposals;

24 ~~((3))~~ (c) The administrator may then select one or more systems  
25 to provide the covered services within a local area; and

26 ~~((4))~~ (d) The administrator may adopt a policy that gives  
27 preference to respondents, such as nonprofit community health clinics,  
28 that have a history of providing quality health care services to low-  
29 income persons.

30 (5) The administrator may contract with a managed health care  
31 system to provide covered basic health care services to either  
32 subsidized enrollees, or nonsubsidized enrollees, or both.

33 (6) The administrator may establish procedures and policies to  
34 further negotiate and contract with managed health care systems  
35 following completion of the request for proposal process in subsection  
36 (4) of this section, upon a determination by the administrator that it  
37 is necessary to provide access to covered basic health care services  
38 for enrollees.

1       (7) Until January 1, 2004, the administrator may utilize a self-  
2 funded or self-insured method of providing insurance coverage to  
3 subsidized enrollees provided under RCW 41.05.140 in a specific  
4 geographic area if: (a) It is necessary to provide access to covered  
5 basic health care services for subsidized enrollees; (b) funding for  
6 adequate reserves is available in the basic health plan self-insurance  
7 reserve account; (c) the administrator has received a certification  
8 from a member of the American academy of actuaries that the funding  
9 available in the basic health plan self-insurance reserve account is  
10 sufficient for the self-funded or self-insured risk assumed, or  
11 expected to be assumed, by the administrator; (d) the administrator  
12 received no responsive proposals to the request for proposal process in  
13 subsection (4) of this section for a specific geographic area; and (e)  
14 other options for providing access to covered basic health care  
15 services for subsidized enrollees are not feasible.

16       NEW SECTION. Sec. 35. A new section is added to chapter 48.41 RCW  
17 to read as follows:

18       The Washington state health insurance pool account is created in  
19 the custody of the state treasurer. All receipts from moneys  
20 specifically appropriated to the account must be deposited in the  
21 account. Expenditures from the account may be used only to cover  
22 deficits incurred by the Washington state health insurance pool under  
23 this chapter in excess of the threshold established in this section.  
24 To the extent funds are available in the account, funds shall be  
25 expended from the account only to offset that portion of the deficit  
26 that would otherwise have to be recovered by imposing an assessment on  
27 members in excess of a threshold of seventy cents per insured person  
28 per month. The commissioner shall authorize expenditures from the  
29 account, to the extent that funds are available in the account, upon  
30 certification by the pool board that assessments will exceed the  
31 threshold level established in this section. The account is subject to  
32 the allotment procedures under chapter 43.88 RCW, but an appropriation  
33 is not required for expenditures.

34       **Sec. 36.** RCW 43.84.092 and 1999 c 380 s 8, 1999 c 309 s 928, 1999  
35 c 268 s 4, and 1999 c 94 s 2 are each reenacted and amended to read as  
36 follows:

1 (1) All earnings of investments of surplus balances in the state  
2 treasury shall be deposited to the treasury income account, which  
3 account is hereby established in the state treasury.

4 (2) The treasury income account shall be utilized to pay or receive  
5 funds associated with federal programs as required by the federal cash  
6 management improvement act of 1990. The treasury income account is  
7 subject in all respects to chapter 43.88 RCW, but no appropriation is  
8 required for refunds or allocations of interest earnings required by  
9 the cash management improvement act. Refunds of interest to the  
10 federal treasury required under the cash management improvement act  
11 fall under RCW 43.88.180 and shall not require appropriation. The  
12 office of financial management shall determine the amounts due to or  
13 from the federal government pursuant to the cash management improvement  
14 act. The office of financial management may direct transfers of funds  
15 between accounts as deemed necessary to implement the provisions of the  
16 cash management improvement act, and this subsection. Refunds or  
17 allocations shall occur prior to the distributions of earnings set  
18 forth in subsection (4) of this section.

19 (3) Except for the provisions of RCW 43.84.160, the treasury income  
20 account may be utilized for the payment of purchased banking services  
21 on behalf of treasury funds including, but not limited to, depository,  
22 safekeeping, and disbursement functions for the state treasury and  
23 affected state agencies. The treasury income account is subject in all  
24 respects to chapter 43.88 RCW, but no appropriation is required for  
25 payments to financial institutions. Payments shall occur prior to  
26 distribution of earnings set forth in subsection (4) of this section.

27 (4) Monthly, the state treasurer shall distribute the earnings  
28 credited to the treasury income account. The state treasurer shall  
29 credit the general fund with all the earnings credited to the treasury  
30 income account except:

31 (a) The following accounts and funds shall receive their  
32 proportionate share of earnings based upon each account's and fund's  
33 average daily balance for the period: The capitol building  
34 construction account, the Cedar River channel construction and  
35 operation account, the Central Washington University capital projects  
36 account, the charitable, educational, penal and reformatory  
37 institutions account, the common school construction fund, the county  
38 criminal justice assistance account, the county sales and use tax  
39 equalization account, the data processing building construction

1 account, the deferred compensation administrative account, the deferred  
2 compensation principal account, the department of retirement systems  
3 expense account, the drinking water assistance account, the Eastern  
4 Washington University capital projects account, the education  
5 construction fund, the emergency reserve fund, the federal forest  
6 revolving account, the health services account, the public health  
7 services account, the health system capacity account, the personal  
8 health services account, the state higher education construction  
9 account, the higher education construction account, the highway  
10 infrastructure account, the industrial insurance premium refund  
11 account, the judges' retirement account, the judicial retirement  
12 administrative account, the judicial retirement principal account, the  
13 local leasehold excise tax account, the local real estate excise tax  
14 account, the local sales and use tax account, the medical aid account,  
15 the mobile home park relocation fund, the municipal criminal justice  
16 assistance account, the municipal sales and use tax equalization  
17 account, the natural resources deposit account, the perpetual  
18 surveillance and maintenance account, the public employees' retirement  
19 system plan 1 account, the public employees' retirement system plan 2  
20 account, the Puyallup tribal settlement account, the resource  
21 management cost account, the site closure account, the special wildlife  
22 account, the state employees' insurance account, the state employees'

21 NEW SECTION. **Sec. 39.** A new section is added to chapter 48.01 RCW  
22 to read as follows:

23 (1) Except as required in RCW 48.21.045, 48.44.023, and 48.46.066,  
24 nothing in this title shall be construed to require a carrier, as  
25 defined in RCW 48.43.005, to offer any health benefit plan for sale.

26 (2) Nothing in this title shall prohibit a carrier as defined in  
27 RCW 48.43.005 from ceasing sale of any or all health benefit plans to  
28 new applicants if the closed plans are closed to all new applicants.

29 (3) This section is intended to clarify, and not modify, existing  
30 law.

31 NEW SECTION. **Sec. 40.** (1) The task force on health care  
32 reinsurance is created, and is composed of seven members, including:  
33 Three members appointed by the governor, one of whom shall be the chair  
34 of the Washington state health insurance pool; two members of the  
35 senate, one member of each party caucus appointed by the president of  
36 the senate; and two members of the house of representatives, one member  
37 of each party caucus appointed by the co-speakers of the house of

1 representatives. The chair shall be elected by the task force from  
2 among its members.

3 (2) The task force shall:

4 (a) Monitor the provisions of this act regarding its effect on:

5 (i) Carrier participation in the individual market, especially in  
6 areas where coverage is currently minimal or not available;

7 (ii) Affordability and availability of private health plan  
8 coverage;

9 (iii) Washington state health insurance pool operations;

10 (iv) The Washington basic health plan operations;

11 (v) The cost of the Washington state insurance pool;

12 (vi) Premium affordability in the individual and small group  
13 market;

14 (vii) The ability of consumers to purchase, renew, and change their  
15 health insurance coverage;

16 (viii) The availability of coverage for medical benefits such as,  
17 but not limited to, maternity and prescription drugs in the individual  
18 market; and

19 (ix) The number of uninsured people in the state of Washington;

20 (b) After studying the feasibility of reinsurance as a method of  
21 health insurance market stability, develop a reinsurance system  
22 implementation plan as appropriate; and

23 (c) Seek participation from interested parties, including but not  
24 limited to consumer, carriers, health care providers, health care  
25 purchasers, and insurance brokers and agents, in an effective manner.

26 (3) In the conduct of its business, the task force shall have  
27 access to all health data available by statute to health-related state  
28 agencies and may, to the extent that funds are available, purchase  
29 necessary analytical and staff support.

30 (4) Task force members will receive no compensation for their  
31 service.

32 (5) The task force shall submit an interim report to the governor  
33 and the legislature in January 2001 and a final report no later than  
34 December 1, 2001.

35 (6) The task force expires December 31, 2001.

36 **Sec. 41.** RCW 70.47.010 and 1993 c 492 s 208 are each amended to  
37 read as follows:

1       (1)(a) The legislature finds that limitations on access to health  
2 care services for enrollees in the state, such as in rural and  
3 underserved areas, are particularly challenging for the basic health  
4 plan. Statutory restrictions have reduced the options available to the  
5 administrator to address the access needs of basic health plan  
6 enrollees. It is the intent of the legislature to authorize the  
7 administrator to develop alternative purchasing strategies to ensure  
8 access to basic health plan enrollees in all areas of the state,  
9 including: (i) The use of differential rating for managed health care  
10 systems based on geographic differences in costs; and (ii) until  
11 January 1, 2004, limited use of self-insurance in areas where adequate  
12 access cannot be assured through other options.

13       (b) In developing alternative purchasing strategies to address  
14 health care access needs, the administrator shall consult with  
15 interested persons including health carriers, health care providers,  
16 and health facilities, and with other appropriate state agencies  
17 including the office of the insurance commissioner and the office of  
18 community and rural health. In pursuing such alternatives, the  
19 administrator shall continue to give priority to prepaid managed care  
20 as the preferred method of assuring access to basic health plan  
21 enrollees followed, in priority order, by preferred providers, fee for  
22 service, and self-funding.

23       (2) The legislature further finds that:

24       (a) A significant percentage of the population of this state does  
25 not have reasonably available insurance or other coverage of the costs  
26 of necessary basic health care services;

27       (b) This lack of basic health care coverage is detrimental to the  
28 health of the individuals lacking coverage and to the public welfare,  
29 and results in substantial expenditures for emergency and remedial  
30 health care, often at the expense of health care providers, health care  
31 facilities, and all purchasers of health care, including the state; and

32       (c) The use of managed health care systems has significant  
33 potential to reduce the growth of health care costs incurred by the  
34 people of this state generally, and by low-income pregnant women, and  
35 at-risk children and adolescents who need greater access to managed  
36 health care.

37       ~~((+2+))~~ (3) The purpose of this chapter is to provide or make more  
38 readily available necessary basic health care services in an  
39 appropriate setting to working persons and others who lack coverage, at

1 a cost to these persons that does not create barriers to the  
2 utilization of necessary health care services. To that end, this  
3 chapter establishes a program to be made available to those residents  
4 not eligible for medicare who share in a portion of the cost or who pay  
5 the full cost of receiving basic health care services from a managed  
6 health care system.

7 ~~((+3))~~ (4) It is not the intent of this chapter to provide health  
8 care services for those persons who are presently covered through  
9 private employer-based health plans, nor to replace employer-based  
10 health plans. However, the legislature recognizes that cost-effective  
11 and affordable health plans may not always be available to small  
12 business employers. Further, it is the intent of the legislature to  
13 expand, wherever possible, the availability of private health care  
14 coverage and to discourage the decline of employer-based coverage.

15 ~~((+4))~~ (5)(a) It is the purpose of this chapter to acknowledge the  
16 initial success of this program that has (i) assisted thousands of  
17 families in their search for affordable health care; (ii) demonstrated  
18 that low-income, uninsured families are willing to pay for their own  
19 health care coverage to the extent of their ability to pay; and (iii)  
20 proved that local health care providers are willing to enter into a  
21 public-private partnership as a managed care system.

22 (b) As a consequence, the legislature intends to extend an option  
23 to enroll to certain citizens above two hundred percent of the federal  
24 poverty guidelines within the state who reside in communities where the  
25 plan is operational and who collectively or individually wish to  
26 exercise the opportunity to purchase health care coverage through the  
27 basic health plan if the purchase is done at no cost to the state. It  
28 is also the intent of the legislature to allow employers and other  
29 financial sponsors to financially assist such individuals to purchase  
30 health care through the program so long as such purchase does not  
31 result in a lower standard of coverage for employees.

32 (c) The legislature intends that, to the extent of available funds,  
33 the program be available throughout Washington state to subsidized and  
34 nonsubsidized enrollees. It is also the intent of the legislature to  
35 enroll subsidized enrollees first, to the maximum extent feasible.

36 (d) The legislature directs that the basic health plan  
37 administrator identify enrollees who are likely to be eligible for  
38 medical assistance and assist these individuals in applying for and  
39 receiving medical assistance. The administrator and the department of

1 social and health services shall implement a seamless system to  
2 coordinate eligibility determinations and benefit coverage for  
3 enrollees of the basic health plan and medical assistance recipients.

4 **Sec. 42.** RCW 70.47.020 and 1997 c 335 s 1 are each amended to read

20 patient population enrolled in the plan and in the managed health care  
21 system; or (b) until January 1, 2004, a self-funded or self-insured

24 70.47.100(7).

25 (4) "Subsidized enrollee" means an individual, or an individual

28 government-operated institution, unless he or she meets eligibility

31 plan; (d) whose gross family income at the time of enrollment does not

35 a particular managed health care system in return for periodic payments  
36 to the plan.
