EFFECT: Applies the act to the self-insured health plans offered to the employees of local governments and school districts, effective July 1, 2003. This amendment provides the patient protections in this legislation to all employees of a city, county or school district that self-insures. Without this amendment, some employees of a city could be afforded these protections while their fellow employees would not, simply based on the health plan the employee selected or the local government or school district offered.
