5 On page 7, line 39, after "closets." insert the following:

6 "Telecommunications scope of work does not include the installation
7 of computer cabling or wiring systems that do not penetrate fire
8 barriers and do not include the installation of new conduit, pathway,
9 or raceway systems, or that do not require issuance of a county or city
10 building or construction permit."

11 Renumber the sections consecutively and correct any internal
12 references accordingly.

--- END ---

EFFECT: Exempts from the licensing requirement, those individuals installing wiring systems that do not involve major structural construction such as penetrating a fire wall or installing conduit and pathways.
