### HOUSE COMMITTEE ON HEALTH CARE

**Majority Report:** Do pass. Signed by 12 members: Representatives Cody, Democratic Co-Chair; Parlette, Republican Co-Chair; Pflug, Republican Vice Chair; Schual-Berke, Democratic Vice Chair; Alexander; Boldt; Campbell; Conway; Edmonds; Edwards; Mulliken and Ruderman.

**Staff:** Bill Hagens (786-7131).

**Background:**

This bill corrects an error in the statutory text.

Medicare Supplements (commonly called Medigap policies) are health insurance policies that provide ways to fill the coverage gaps left by Medicare. In 1992, federal

regulations set uniform standards for this coverage with ten standard supplements--A through J with J being the most comprehensive.

Medicare Supplements were not included in the definition of "health plan" adopted in 1993 and therefore are not covered by the "insurance reforms"-- preexisting condition limitations, portability, and guaranteed issue/renewability.

In 1995, portability protections were extended to this coverage so a person could purchase a Medigap policy "without evidence of insurability" if the policy being replaced were more comprehensive. However, there was an error on the wording referencing ". . . more comprehensive coverage than the *replaced* policy." It should reference "the *replacing* policy."

---

**Summary of Bill:**

Language is changed to reference "replacing policy."
