5 growth of an understory. The exemption provided by this subsection
6 does not apply to any lands used to raise hardwood trees such as, but
7 not limited to, hybrid cottonwoods and cultivated by agricultural
8 methods in growing cycles shorter than ten years.

9 NEW SECTION. **Sec. 2.** A new section is added to chapter 15.09 RCW
10 to read as follows:

11 SPECIAL ASSESSMENT--RATES. (1) Prior to the levying of an
12 assessment authorized in section 1 of this act, the horticultural pest
13 and disease board shall hold a public hearing at which it will gather
14 information to serve as a basis for classification and then classify
15 the lands into suitable classification, including but not limited to
16 orchard lands, range lands, dry lands, nonuse lands, forest lands, or
17 federal lands.

18 (2) The board shall develop and forward to the county board of
19 commissioners or other county legislative authority, as a proposed
20 level of assessment for each class, an amount that seems just. The
21 assessment rate shall be either uniform per acre in its respective
22 class, a flat rate per parcel, or a flat rate per parcel rate plus a
23 uniform rate per acre: PROVIDED, That if no benefits are found to
24 accrue to a class of land, a zero assessment may be levied.

25 (3) The county board of commissioners or other county legislative
26 authority, upon receipt of the proposed levels of assessment from the
27 horticultural pest and disease board, after a hearing, shall accept or
28 modify by resolution, or refer back to the horticultural pest and
29 disease board for its reconsideration all or any portion of the
30 proposed levels of assessment.

31 (4) The amount of the assessment constitutes a lien against the
32 property. The county board of commissioners or other county
33 legislative authority may by resolution or ordinance require that
34 notice of the lien be sent to each owner of the property for which the
35 assessment has not been paid by the date it was due and that each lien
36 created be collected by the treasurer in the same manner as delinquent
37 real property tax, if within thirty days from the date on which the
38 owner is sent notice of the lien, including its amount, the lien

1 remains unpaid. Liens treated as delinquent taxes bear interest at the
2 rate of twelve percent per annum and the interest accrues as of the
3 date notice of the lien is sent to the owner, however, any collections
4 for the lien shall not be considered a tax.
